CONVICTED OF BURGLARY

Two men giving their names as George Anderson of St. John, N. B., and Roy Oakes, of Perth, Ont., pleaded guilty before Magistrate Maltby here Friday to the charge of robbery of D. J. Buckley's store at Rogersville on Wednesday evening. Large quantities of goods were found on the prisoners. Clerk of the Peace Butler asked for an adjournment to investigate the characters of the men and sentence was postponed until tomorrow Mr. Buckley will ask for leniency if the past characters of the men warrant it. Both Anderson and Oakes told hard luck stories and said the robbery was their first offence. The capture of the men was a clever piece of work on the part of Constable John Bastin and Irene Boudreau, clerk of Buckley's store. The prisoners were seen to enter a barn about a mile from the railway and the constable forced them to surrender at a point of a revolver. In addition to the stolen goods a rather crude burglar outfit was found on the prisoners. Anderson had been in the vicinity for some time and got dinner from Buckley on Monday.
