St. Luke's Pastorate

At the last meeting of the official board of St. Luke's the Rev. J. Heaney, of First Church, Charlotte-town, was extended an invitation to the pastorate for the term beginning after the Conference of 1915. Mr. Heaney has accepted, subject to the usual regulations.—Chatham World.

P. Mitchell Porter, Chicago, Ill., and W. J. Porter, Utica, N. Y., who have been hunting big game on the North Shore spent the week end here, with their sister, Mrs. Wendell McCosh, Peter Street.—Sussex Record. [Mr. Porter was formerly a resident of Chatham.]

Entertained her Friends

Miss Lou Russell entertained a large number of her young friends, many of them fellow members of Newcastle Division Sons of Temperance at the residence of her mother, Mrs. Burton Somers, Wednesday evening of last week. Music and games were a feature of the evening.

Transfer of Priests

The transfer of priests whereby Rev. Fr. Walter Donahoe, who has been curate to Rev. Fr. John J. Ryan at St. Anthony's Church, St. Marys becomes curate of St. John the Baptist Church, St. John, and is succeeded at St. Marys by Rev. Fr. Gaudet, a young priest who was ordained only a few months ago, became effective Thursday last.

Wm. T. McKnight, of Lower Millstream, Kings Co., raised 1300 barrels of turnips this year, some of them weighing 18 pounds. His neighbor, Charles Titus, does even better than this as far as weight is concerned as he raised some which weighed 23 pounds, and it only took seven of them to make a barrel full. This is going some in the turnip line.

Mr. J. Norton Griffiths, M. P. of England, will be one of the important speakers at the Paardeberg Day dinner here on February 27th. Mr. Griffiths was one of the orderlies to Lord Roberts at South Africa and was on the same staff with Chief of Police McCollm. He accepted an invitation to attend the annual dinner of the South African veterans, tendered him by Mr. P. A. Guthrie in St. John this week.—Fredericton Gleaner

Moving to Truro, N. S.

H. H. Dryden, of Sussex, has purchased the store, plumbing and tinware business of H. S. Grant, Truro, N. S., and proposes moving there and taking charge in the spring. The business bought by Mr. Dryden is a well established one and has been carried on most successfully by its present proprietor for a number of years. It is situated on the Main Street of the town and enjoys a generous patronage from the public. Mr. Dryden formerly carried on a large hardware business in Sussex, and is going to Truro with plenty of experience. He is well and favorably known on the North Shore.

Wedding at St. Mary's

The marriage took place at St. Mary's Church, here, on Wednesday afternoon of last week, at 3 o'clock of Miss Ella Fitzgerald, daughter of Mr. Alex. Fitzgerald, Newcastle, to Mr. Frank McDonnell, of Douglasfield, Rev. P. W. Dixon, officiating. The bride was attended by Miss Mary McCallum, while the groom was supported by his brother, Mr. J. McDonnell. A reception was held at the home of the bride's sister, Mrs. Samuel Kingston, Chaplin Island Road, when the many friends of both bride and groom extended their best wishes for a long and happy wedded life. They were the recipients of many useful presents.

Concert in New Church

The musical talent from Chatham, Newcastle and Millbank that combined to give a sacred concert in the new church at Russellville, last Wednesday evening, in the interest of the Building Fund, was greeted by a crowded house that proved to be highly appreciative. Mr. Jas. L. Russell presided, and the programme consisted of the usual solos, quartettes, readings and duets and was admirably sustained by Mrs. Henderson, Chatham, Mrs. Russell and Mrs. Stothart, Newcastle; Misses Haviland, McPeak, Whitehouse, Hanson and Rae, and Messrs. Russell and Shaw, Newcastle, and John S. McFarlane, Chatham. Mrs. Henderson and Miss Haviland played the accompaniments. The receipts were very gratifying to the promoters. After the concert refreshments were served by the ladies of Russellville. A delightful evening was spent by all who had the pleasure of being present at the first concert given in the new church.—World.

Wild cats are reported very plentiful in the vicinity of Mt. Middleton, Kings County. Several sheep have been killed recently.

Thanksgiving Service

At the Thanksgiving service in the Baptist Church, Thursday evening, the receipts were \$375.40, as compared with \$205 last year. The church on which some \$6,000 or \$7,000 has been recently expended, is now entirely free from debt. The pastor is Rev. H. T. Cousins, Ph. D.

A number of bricklayers working on the new railway station went on a sympathetic strike because one of their number whom the foreman considered an undesirable, had been discharged. The men, some eight or nine in number, returned to their homes in St. John. All the places have not been filled as yet, and the work which is being rapidly pushed forward has been somewhat delayed.—Sussex Record.

There is a fine display of freehand drawing in the window of Oak Hall, Fredericton, the work of the Indian children at the St. Mary's Reserve under fourteen years of age. The work of the children has received many high compliments from the citizens. There is a remarkable map drawing of South Africa by Fred Paul, and it is declared by critics to be about the best of the display. There are also several creditable drawings relating to the Thanksgiving festival.

BOWLING

The bowling match held on the local alleys between Manager Lank's team and a team from Chatham, was another victory for the Newcastle champions. Their successive victories here show beyond a doubt that they are supreme on their own alleys. The score in Thursday night's game is another record breaker, and Chatham will have to send a stronger team, if they have one, (and they will have to go some), if they wish to win over the local invincibles. Synnot, for the visitors, made the highest individual score, while Brown and Lank for the locals made over 100 each, being 110 and 102 respectively. The score stood 435 to 1258, a lead of 83 points for Newcastle.

The scores were:

CHATHAM	
Bernard	87 91 94
MacEachern	90 78 80
Lawlor	76 91 80
Currie	83 78 84
Synnot	97 76 71
Total 1258	435 414 409
NEWCASTLE	
Hennessey	92 94 88
Lank	84 102 99
Arseneau	85 96 80
MacMurray	69 74 75
Brown	110 104 98
Total 1251	441 470 440

After the game the boys adjourned to Johnson's restaurant, where a most enjoyable time was spent. Mr. Johnson did his best for the boys, and a general vote of thanks was tendered him for his efforts in preparing a good spread.

Manager Lank is suggesting a suitable trophy to be played for by the North Shore teams, and as everybody seems to favor it, it will no doubt materialize.

TAKES OFF DANDRUFF, HAIR STOPS FALLING

Save your Hair! Get a 25 cent bottle of Danderine right now—Also stops itching scalp.

This, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scourge. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—and time—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store. You surely can have beautiful hair and lots of it if you will just try a little Danderine. Save your hair! Try it!

THE

Union Advocate

ESTABLISHED 1867

Issued Wednesday. \$1.00 Per Year

The Union Advocate, the second oldest paper in the Maritime Provinces, is fast becoming the leading paper on the North Shore. We are constantly in receipt of letters from subscribers at a distance, showing their appreciation of our efforts to publish a real live up-to-date paper. Our subscription lists are increasing daily, new subscriptions coming in unsolicited.

As an advertising medium, The Advocate is firmly taking its place among the best. If you, Mr. Merchant, are not among the number who are using its columns, why not talk the matter over with our representative and select a good space while you have a chance. We are at your service any time you wish to consult us, and would only be too glad to quote you rates. You will probably want to use a space for the Christmas season, so now is your opportunity. A telephone call will bring our representative to your store in ten minutes.

Our Job Printing Department

There is a difference between plain Job Printing and the kind of Printing that draws business. At one time any kind of a printed letter-head or envelope would do so long as the work was done by a printer. Good paper and high priced ink, the customer did not know enough about to be fussy. It is not so now. The customer today figures these items into his contract for printing the same as he does the quality of the goods he purchases to carry on his business.

This is the class of customers who have their printing done at The Advocate Job Dept. Only the best lines of writing paper are kept in stock and the highest grade of inks used for all work. There is not a CHEAP line in our office, for experience has taught us to carry only the best and the most serviceable.

People who leave their order for printing with this office, have that inward feeling of assurance that they are going to get just the kind of a job they want. They do not speculate—they know, and they are never disappointed. We spare no pains to give our customers just what they want, and that is one reason why this office has gained the reputation it has for turning out the highest class of Job Printing only.

If you are not yet a customer, join our list and have your letter heads and envelopes, or whatever nature your work may be, printed in an artistic manner. It does not cost any more for good printing than it does for the cheaper kind, and a small order is given as good care as a large one.

We are now in a position to handle all kinds of

CATALOGUE PRINTING

and would be pleased to quote prices for this class of work at any time. We guarantee strict satisfaction in all cases.

Remember that this office is in better shape to handle your Printing than it has ever been before, due to the fact that only competent printers are employed and the most modern machinery used.
