A HIGHER AVERAGE
In one last issue the marks made
by Miss Alice Campbell in the
Normal School Closing was given
as 68.8. This should have read
98.8, and we regret very much the
typographic error as Miss Camp-
bell's marks are among the highest
ever made in New Brunswick.

which has been published at Wood-

**HOW MUCH WILL A
SQUASH VINE GROW?**
Not many miles from Woodstock,
a few days ago three farmers
engaged in a hot argument over how
far a squash vine would grow in 24
hours. One thought it would grow as
much as seven inches. To quiet doubt and preserve
friendship, one of the trio made a
test. He selected a vigorous squash
vine, and drove a stick at its tip
one 8 a.m. at the next following 8
a.m. he measured the vine and found
it had grown, in 24 hours 11 1/2 inches.

were married on their parents wed-
ding anniversary, will reside in New

MIRAMICHI GIRL HELD UP
Miss Belinda M. Jardine of Un-
derhill, Lower Blackville, N. B.
was taken in charge here Monday
evening and lodged in the lockup.
The young lady got on the train at
Newcastle with a ticket for Camp-
bellton. Upon arriving here she
was spotted as a suspicious looking
character by the I. C. R. police. She
had every appearance of being a boy,
short hair, boys' features, large
hands and feet. She wore a skirt
but had on a boys' mackinaw. When
questioned she was very rough in
her language. At the police station
she was searched and a 32 revolver
with cartridges found. When asked
by Chief Adams why she carried
this she said, "to shoot such guys
as you." The police at Newcastle
were telephoned to but knew nothing
of her, but later her brother
was communicated with and she
was sent home this morning accom-
panied by I. C. R. Policeman Lawson.

**NEWCASTLE BOY PRINCIPAL
IN SALVATION ARMY WEDDING**
A Salvation Army wedding was
solemnized Tuesday night in St.
Andrew's Presbyterian Church, Camp-
bellton at eight o'clock when Adjutant
Best of St. John united in the holy
bonds of matrimony two popular
members of the Campbellton corps.
Miss Vina Charlton and Mr. William
Shaw, formerly of Newcastle. After
the ceremony a reception was held
in the Salvation Army Hall when a
most pleasant hour was spent in
speeches, music, songs, etc. The
speakers were Adjutant Best and
Ensign Squarebriggs both of whom
referred to the many high qualities of
the contracting parties and wished
them many years of happiness. The
presentation of a handsome leather
rocker by the members of the corps
was another of the pleasing surprises
at the reception. Light refresh-
ments were served and before the
departure of the guests all wished
Mr. and Mrs. Shaw many years of
happiness during their wedded life.
The happy couple are spending a
few days with Mr. Shaw's parents
here.

**BEAVER
FLOUR**
Both
Ways

Make up a batch of
Bread and Rolls with
it. Then bake a Pie
and Cake.

Notice the fine, even texture—the absence of holes—the
delicate, nutlike flavor, of the Bread.
Then consider the lightness and flakiness of the Pastry.
You'll never go back to the coarse, almost tasteless
western wheat flours, after once enjoying the flavor of the
good things made with Beaver Flour.

WOMEN!
If there were no women, men
would have no object in life; their
mustaches would cease to interest
them; they would not care a
China man whether their collars were
ironed or not; they would have
nobody to nurse them when they
had the toothache, or to keep them
from believing they were going to
die when on old fashioned stomach
ache had a grip upon them. There
would be nobody to take for ice cream
and no small edition of flesh and
blood to hug. There would be no
body to fight against being kissed
and then to take it as natural as the
cat does to cream.

Baby's Great Danger During Hot Weather

More little ones die during the
summer months than at any other
time of the year. Diarrhoea, dysentery,
cholera, infantum and stomach dis-
orders, come without warning and
when a medicine is not at hand to
give promptly the short delay too
frequently means that the child has
passed beyond aid. Baby's Own
Tablets should always be kept in the
home, where there are young chil-
dren. An occasional dose of the Tab-
lets will prevent stomach and bowel
troubles or if the trouble comes sud-
denly the prompt use of the Tablets
will cure the baby. Mrs. Chas. An-
derson, Minda, Alta., says:—Baby's
Own Tablets are the best medicine
for little ones who are suffering from
stomach troubles. They cured my
baby and have made her a fine
healthy girl. The Tablets are sold
by medicine dealers or by mail at
25 cents a box from The Dr. Will-
iams' Medicine Co., Brockville, Ont.

Girls! Lemon Juice Is Skin Whitener

How to make a creamy beauty
lotion for a few cents

The juice of two fresh lemons
strained into a bottle containing three
ounces of orchard white makes a
whole quart of the most re-
markable lemon skin beautifier at
about the cost one must pay for a
small jar of the ordinary cold
cream. Strain the lemon juice through a fine
cloth so no lemon pulp gets in, then
this lotion will keep fresh for
months. Every woman knows that
lemon juice is used to bleach and
remove such blemishes as freckles,
sallowiness and tan and is the ideal
skin softener, whitener and beau-
tifier.

Just try it! Get three ounces of
orchard white at any drug store and
two lemons from the grocer and make
up a quart of this sweetly
fragrant lemon lotion and massage
it daily into the face, neck, arms
