WEDNESDAY, MAY 4, 1898

Progress of the War.

There were reports of the capture of as follows: States war ships, and other more or less contradictory reports; but the 1897. situation at Havana was, and is practically unchanged. On Sunday morning, however, a naval battle, apparently a very ho; and sanguinary one, fleet had been at Hong Kong, which place be left for Manila, arriving on Saturday night, and, under cover of the darkness, had got well in towards the city. His fiting ships were nine "drags its slow length along." in number, large and small. His Last week's proceedings were, to flagship, the Olympia, is one of the a considerable extent characterbest cruisers aft at. Besides this one there were four cruisers in his fleet; The House met, at same hour, the others are gun boats. To oppose during each day, and Mr. Speaker the table of the House last year had six cruisers and four gunboats, all United States ships were in sight, and battle commenced almost immediately. There appears to have been learned from the reports, and in both Lefurgy, to incorporate the Sumthe Americans seem to have been the agressors. The Spaniards seem to have lost heavily; one cruiser was badly damaged, a gunboat was set fire incorporation of Hall companies, to and destroyed, another is said to etc. have been sunk to avoid falling into liquidation of the old Charlottethe hands of the enemy. A com. town Gas Light Company, was mander of one of the cruisers was killed, and some four hundred lives are said to have been lost. Although no particulars are given of tha loss sus-

fees and other sources \$327.54

ment, as the public records show. The members of the Opposition are endeavoring, in the face of Govern-

school districts in the Province in city, who were two-fifths of the Government ever intended to school districts in the Province in 1897, as against 466 in 1896, and 467 schools as against 464 in 1896. Of these schools, Queen's County had 184; Prince 152, and King's 131. The teachers numbered 579 in 1897 and 569 in 1896. There were 72 first class teachers; 339 second class, and 168 third class.

The male teachers numbered 322 city, who were two-fifths of the population, were not represented on the delegation. He said he could not see his way clear to adopt the ideas of the delegation, although he wished to restrict, as far as possible, the sale of liquor in this city. He considered his proposed bill more effective than the Scott Act; but the amendments suggested by the delegation. The male teachers numbered 332, would bring about a condition of urer to lay on the table of the and the female teachers 247. There were 21,845 pupils enrolled in 1897, Scott Act; a law with no funds amounts due the banks by the and 22,138 in 1896, a decrease of to enforce it. Mr. Farquharson Government of this Province, the 293. The cost of education for the spoke in favor of the contention of the banks to which the memoralists. Mr. Arthur amounts are due, and the amount

Elmsdale praying for compensa-tion for land taken by the Well's Road and if so what action he in tends taking in the matter. Hon Mr. McLean said the petition would be brought up in the House and an answer given. Mr. Shaw asked the Leader of the Government to table a statement show. ng how item of \$787.70 as shown in the Public Accounts 1897 and charged to expenses February High Term Georgetown, Supreme Court, is made up, the amount paid to each person, the services rendered mere 44 inches wide, guaran-by each person and the names of teed to be the best goods in the persons receiving payment repectively, and also a statement showing how the item of \$1,111.95 as shown in the Public Account 1897 and charged to expenses in Trinity Supreme Court Charlotottetown, is made up, the

> to be read a third time and passed. On motion of Hon, Mr, Warburing for its object the regulation of the sale of intoicating liquors in the City of Charlottetown, and so

the item of \$1,250 as appears in occupier of the farm or farms on which said boring was made. Hon. Mr. McLean tabled the statenent. Mr. Shaw asked the C. P. Works to table a statement, showing in detail how the item of \$1,883.94, as shown in the Public Accounts 1897 and charged to Roads Queen's Prince and King's Counties and Inquisitions on new were made, the amount paid to each person, the nature of the work done, and the name of the road or locality and County respectively in which said work was done. Hon, Mr. McLean promised the information at the earliest opportunity. But its pre-paration would take some time. Hon. Mr. McLean tabled the original of Mr. Chappell's plan for the Prince of Wales College and a copy of Mr. LeMay's plan. He said that no tenders for the erection of the building had been accepted and he did not hey did not want the tenders on the Hon. Mr. McLean, somewhat angrily, I have already answered the Hon. members question. Hon. Mr. Gordon pointed out that there was a good deal of feeling throughout the country regarding the matter, and the people wanted the fullest information. But the Commissioner does not seem willing to give the information asked for.

On Friday the Charlottetown Sewerage bill was considered in committee of the whole. Some amend ments were offered; the clauses to be amended were allowed to stand over and progress was reported.

The parishioners of Indian River have decided to hold a Tea Party, in aid of their new Church, on Tuesday the 19th of July next. Advertisement later.

FOUGHT CATARRH FOR 50 YEARS Eighty Years of Age When Victory Came—Dr. Agnew's Catarrhal Pow-der the One Remedy,

Gaps,
George Lewis, of Shamokin, Pa., says,
"I was troubled with catarrh for fifty
years. I am eighty years old. I used
a great many catarrh remedies, but Dr.
Ag ew's Catarrhal Powder was the one
medicine that gave immediate relief
and cared me of the disease." At Ottawa, D. M. Northrop, a prominent
member of the Civil Service, used this
medicine and tells of its benefits in the
case of catarrh and cold in the head.
It relieves in ten minutes.—Sold by Geo
E. Hughes,
