THE DISEASE THAT COMPELS
YOU TO SAVE MONEY ON SHOES

In the Inauguration of His Gigantic "Hurry Out" Sale COMMENCING WEDNESDAY

Must Make Room

In order to make room for the thousands of dollars worth of new shoes and new styles now en route from the east, we are compelled by force of circumstances to inaugurate this great "Hurry Out" sale. We are absolutely up against it for room. This is the sad predicament we are now in, and we would not be in this embarrassing position had we fully realized the exact condition and the size of our stock before we made this gigantic purchase of new shoes. With these conditions of affairs existing we must have the room for the new goods when they arrive. These, and these only are the cold facts of this great "Hurry Out" sale, and we trust that you fully understand our position and will do your part to help us unload this great stock of merchandise now on hand, and in return for your patronage we promise that we shall advertise nothing that we are not willing to back up. We have been with you in Calgary for a good many years, and expect to be with you for years to come, we want our record for truthfulness, fairness and courtesy in this sale to always remain a bright page in your memory. Our future success has always depended on our past record. We fully realize that we must give the buying public real bargains if we wish to reduce the stock one-third its present size, and we shall fulfill every promise that we make in the inauguration of this mighty sale.

We Want You to Be On Hand Early

We intend to make this sale the unprecedented success of the year. We have had long years of experience in the shoe business and find that when ridiculously low sale prices are made the public respond enthusiastically and attend the sale in great crowds. We have made sales before in Calgary, but never have offered such cut slash prices as will be made during the next two weeks. We anticipate that every man, woman and child in the city of Calgary and the surrounding country will be here sometime during the sale. Our advice to you is—Come early while we have a good selection of styles and sizes. The greatest bargains are most wanted by all, so do not delay. Act at once.

Extraordinary Special Offer

Best Selection of Fine Shoes in Town

There is no other shoe store in Western Canada that offers the variety and selection in footwear seen at Richardson's. Not only is the assortment in the more staple styles amply complete for every purpose and for every age, but the changing moods of public fashion as well. The range found here is remarkable diversified. With Richardson's stock of fine shoes each season does not mean a few new styles of shoes, but it means dozens and often hundreds of new lines. The latest fads are incorporated into shoes on different lasts in different leathers, and yet we do not blindly follow fashion, but mould and adapt the newest ideas as to lend them the good taste and distinction that mark our footwear. Our merchandise is in the height of style, yet it is unique and different from the rest. Style knowledge, far in advance of other stores, close contact with the leading manufacturers of the country, and the fact that every pair of shoes in our store is made according to our special directions and order, enables us to confidently say that in this store during this mighty "HURRY OUT" sale, you can be fitted with the latest, swellest styles in a last that fits your foot, at such low ridiculous prices that it behooves every man, woman and child to attend this sale and participate in the many money-saving opportunities we shall offer.
