AND ALL DISORDERS OF THE LIVER.

Dr. Radway & Co.—As an introduction I must make the following remarks: Had each one of the lawmakers of our country the virtues and power of your pills, America would soon become a paradise. That your pills would conquer the obstinacy of my complaint is more than wonderful. The movement of my bowels is as regular as the works of a good watch. I began with four pills and decreased to two, and for a long time took one two hours before dinner, and have a watery movement of the bowels every morning. It is seven weeks since I have taken any of your pills, but still have regular movement every morning.

Kind gentlemen, I wish further to tell you: A poor washerwoman that suffered from a tumor and would have paid \$150 for an operation, I dissuaded from doing so. Owing to her tumor sne was obliged to stay in bed, but now she has gone to Pennsylvania, cured through taking your pills and Resolvent, as you directed in your treatise on tumor. Respectfully. A. WITMER, 542 E. 134th St., New York.

One to three of Radway's Pills once in twenty-four hours will secure regular evacuations from the bowels. Persons who for twenty years have been compelled to use injections have been cured by a few doses of Radway's Pills.

True Comfort for the Aged and Others Afflicted With Costiveness and True Comfort for the Aged and Others Afflicted With Costiveness and Paralysis of the Bowels.

Persons advanced in life often suffer from indigestion, and from paralysis or inability to evacuate from the bowels; likewise from urinal difficulties. We have the evidence of a large number of aged persons from 60 to 80 years of age, who have been cured of this defect, who had been compelled to resort to injections to empty their bowels, by the use of Radway's Pills. Two or three pills every night in all cases insure a natural evacuation from the bowels and the regular flow of urine. In cases, where there is irritation of the bladder the Resolvent should be used alternately with the pills. If these organs are kept regular life may be extended to a much longer period. By keeping the liver, stomach, bowels and kidneys in a healthy condition, the blood will continue pure and dissolution be checked. If Radway's Pills and Resolvent are used by the aged, life will be prolonged to the full measure of time. Another great end is secured by nourishing the body with these remedies—the faculties will remain in a healthy condition. A weak, feeble and decaying body enfeebles the intellect and clouds the brain. Price 25 cents per box. Sold by all druggists or sent by mail.

No shoe manufacturer would have the temerity to guarantee ordinary Patent or Enamelled leather-certainly the makers of the famous "Slater Shoe" would not guarantee ordinary Patent or Enamelled leathers because with them a guarantee is a guarantee, not a pleasant sounding but meaningless play of words.

But the "Slater Shoe" makers use a standard of Enamelled leather which they can and do guarantee-every Enamelled shoe which bears the "Slater Shoe" trademark is guaranteed-The "Slater Shoe" makers use no Enamelled leather which they cannot guarantee.
