and this is the reason that the same was at one time a very wealthy peer, R. tracks to rest their weary limbs, is in financial difficulties. His family and wait until the dawn. They were is in financial difficulties. His family is now on the continent, economizing. He has few possessions left. Brook House, his palace in Park Lane, he has sold to Sir Ernest Cassel, the King's great friend and "financial adviser"; his sporting estate in Scotland to the Earl of Portsmouth, and his valuable pictures and beautiful porcelain fetched high prices at Christie's sales.

Sir Ernest Cassel, by the way, now known as "Rameses the Only," as he practically rules Egypt as far the finances are concerned.

The Khedive of Egypt, with whom he does practically what he likes, has been his guest at his house in Gros-venor Square, and consults him in everything. Sir Ernest will be the most powerful host in London when he noves into Park Lane next year.

NO MONEY FROM MUNDY

Shows Proved a Financial Failure in Toronto-Elks Are Out.

The Mundy shows did not make out as well in Toronto as in London. The preparation, if they are not already on News says that the show last week the way to Ottawa. was financially a failure, and consequently there will be no surplus for the Hospital for Sick Children.

This information was given out by Mr. Carl Beal, a member of the Elks' Society, under whose patronage the show was held. "The receipts were from \$2,700 to \$3,800," he said; "and in salaries alone the show people paid \$2,300. When all

other expenses were defrayed, those in

charge of the show were from \$3,000 to \$4,000 out of pocket." "What did the Elks lose?" "Not more than \$100."

HAULS OF HASHEESH

Egyptian Government Endeavoring to Do Away With This Drug.

Cairo, Egypt, July 3.-The customs adof "hasheesh" during the last few days. At Alexandria over a ton was captured in one lot, and it was valued at nearly The restrictions against "hasheesh" in

this country are most rigorous. Its indulgence is forbidden, both by the Mohammedan religion and by law. Formerly "hasheesh" was imported only by way of [Hodgson Bros.' Letter.]

Cheese—There has been a steady consumptive demand, and stocks of old are now absolutely cleared. The arrivals of new are taken as landed at present prices, but the further advance asked in Canada is likely to be resisted. There has of trying to stop the importation, is en-deavoring to prevail on the Government

> the present is an auspicious moment for insisting on this prohibition. The Hellenic Government demurs at having to interdict the cultivation of "hasheesh," as this is one of the chief resources of the Peloponnesus; still, as the number of "hasheeshes," or hasheesh smokers, is increasing rapidity in the Piraeus as well, the Greek authorities soon will find them-selves forced to take the proposed step selves forced to take the proposed step in the interests of their own subjects.
>
> "Hasheesh" is indulged in to an enormous extent in Egypt—in Cairo, especially. There are no public dens, as they have all been cleared out. But many an innocent-looking private house forms the cloak behind which the smoking of this demoralizing product is carried on in peace, and without fear of interference by the police. This is one of the reasons why ins police. This is one of the reasons why insanity has increased to such an alarming extent in Egypt. As far as one can see, the only effect the campaign against "hasheesh" has had is to increase its cost it now stands at 50 francs a kilo-but that does not deter the inveterate smokthat does not deter the inveterate smokers, who abound in their thousands. The drug has such a hold, a fascination for them, that they will pay any price to obtain it. Some of the poorest natives go without meals for days in order to be able to purchase sufficient to send them off to the "haven of delight" brought on by a weeker.

March

mittee of the city council will be held on Wednesday evening to make arrange-ments for the council's part in the big reunion which the Old Boys will hold in consider the request of the Dyment-Baker Company, to have its taxes on the plant which was wived out remitted for seven months of this year. Last night the request was filed, but today Ald. Carson, who voted against the granting of the application, stated in the city hall that had he known what he does now he would not have voted against the company. The August. It is probable that arrangements will be completed for the decorating of all cvic buildings, as well as the illumination by electricity, and it is not improbable that a dinner for certain of the city's distinguished guests will be given.

All of the requests of the Old Boys as to the fire department, etc., taking part in the celebration, will come up before he committee.
The cuestion of accommodation for the

the assessors will go around now, and as there is no mill on the old site, the company will get out of paying taxes on its plant next year. This is, of course, alcupied by the London Machine Tool Com-pany, and the firm will be assessed for next year at probably a greater valuation it at once, but will walt for a while, so as to secure the taxes on the new ad-ditions. Thus the company will be occupying premises upon which the taxes have already been paid by the London Machine Tool Company, or if not paid by that concern, must be assumed by the Dyment-concern, must be assumed by the Dyment-concern, which did \$200 dam-

cation to the committee. If this were done, it is thought that many citizens who are anxious to help along the good work of the Old Boys, and at the same time make a few dollars, might be ready to put their names down on the list as Baker Company; and yet the Dyment-Baker Company will be paying taxes on a plant which for seven months of this year has not been in existence, owing to the big fire of several weeks ago.

This does not seem fair, and it is likely that weeks the second of the paying the second of the paying the second of the paying here. that a move to remedy the evil will be made as soon as the council meets. It will require a two-thirds vote to secure

There'll Be No Dearth of It at the Liberal Picnic. There will be no dearth of music-and Double Headers Being Played by

Australia Offers Inducements to good music at that—at the Liberal picnic, which will be held in Queen's Park on Saturday next.

The music committee today announced that the Seventh Regiment Band has been engaged for the afternoon, and the band of the Twentysixth Regiment for the evening. In addition, a band of pipers will also be

on hand. Entries for the Highland fling, in costume, open to Londoners only, and for the Irish jig, also open only to Londoners, close Friday night. All entries must be made to Mr. James Mc-Cormick.

The entries for the cake walk close Friday night. This event is open to the world. Entries must be handed to Mr. McCormick.

BATTERED THE BELFRY

Aberdeen School Struck by a Bolt of Lightning, Nobody Hurt.

Yesterday evening, while the electri-cal storm was at its height, a baby the clouds straight at the belfry that tops Aberdeen school. Those witnessed the phenomena declare it hit the building with the force of a 12-inch Jap shell. Simultaneously there was a terrific display, pale purple and red predominating, while the accompany. ing thunderclap might readily have been mistaken for the crack of doom When the atmosphere had cleared a bit, for forty yards in any direction from the school the ground was strewn with splinters of all sizes and shapes, which the lightning had dug out of the belfry. This is the second time the belfry has been struck
