Conductor Savier of the Great Western railway, an old employee on the road, was arrested on Thursday night for conspiring to defraud. He appeared before the police court yesterday and pleaded not guilty. The prosecution not being able to proceed, Savier was remanded till Monday. Bail was refused. The fraud alleged is, that he made a practice of collecting the second half of Toronto and Hamilton return tickets without punching them, and that he afterwards sold them to scalpers in Toronto as good tickets. It is hinted that more conductors on the line are in the mess, but the railway authorities are silent and no names will be mentioned until the expected arrests are made. More than one railway Conductor Savier of the Great Western arrests are made. More than one railway man is shaking in his baots to-night.

NOT PINKEYE. The present epidemic among the horses in New York and Brooklyn and in some parts of Canada is not the influenza called pink-eye. It lacks the main features of real pink-

The missing contract signed by Godson & West, the Yonge street pavement contractors, was found at three o'clock yesterday afternoon by the secretary of the board of works, among some petitions, regarding services which were in the safe in the office. The clerk declares it was not in the safe works, among some petitions, regarding services which were in the safe in the office. The clerk deck-res it was not in the safe when the investigation took place, and how it got there is a mystery. It has been handed to the city solicitor.

—If you are desirous of patronizing a first-class restaurant, where you can enjoy a good meal, try Wilkinson's, 187 Yonge street. Dinner from full bill of fare 25 cents, including all the delicacies of the

THE PRESS ON THE SEIZURE.

Stratford Advertiser: The collector of customs, in seizing these publications, deserves the thanks of the whole community.

Dominion Churchman: We feel assured that if a government is not at liberty to exert itself to prevent the circulation of such objectionable literature as that we defect pointed out was that in some depart-An enormous were driven into the city from the west yesterday morning.

The bishops of the ecclesiastical province of Toronto, have been assembled in conference at St. Michael's palace during the week.

A lady in cleaning herrings discovered peas in their intestines. She asked her old man if tish lived on peas, and he said that all fish appease their hunger in that way.

We have not as yet seen one attempt made the control of such objections are to be considered vacant.

Berves the thanks of the whole control of the hunger is not at liberty to many studies in the course. The lessons in music and drawing should, he con sidered, be increased in length. Another defect pointed out was that in some department, sparticularly the study of word-roots, the same course was specified for four or five different grades of pupils. Some studies were introduced too early, and time was thus lost, six months being spent in teaching a child of eight years of age what one of eleven with his faculties developed could learn in a week. Among these were grammar and history. Hygiene, he thought, should not be taught to children until they knew something of anatomy and the said of the course. The lessons in music and drawing should, he con sidered, be increased in length. Another defect pointed out was that in some department, a similar way, would be allowable.

Canada Presbyterian: At the same time it surely will not be contended in the name of liberty that "obscene books, pamphlets and pictures" ought to be freely circulated through the post-office. If not, then the only question is, were those referred to of the character described?

We have not as yet seen one attempt made was thus in spent to make the circulation of such objectionable literature as that we have mentioned above, no cases could be imagined in which its interference, in a similar way, would be allowable.

Canada Presbyterian: At the same time it surely will not be contended in the name of liberty that "obscene books, pamphlets and pictures" ought to be free-ly circula ing day after vacation without permission, their positions are to be considered vacant. The question of the night schools is not yet decided. The board of school trustees has referred back the report of the committee as it recommended the appointment of the day male teachers to the same positions. The provided is not prove that they were not, and till this is done and effectually, all the talk about "liberty" is mere sound and fury signifying nothing.

London Free Press: No free people would by drill in calisthenics, &c. The subject was afterwards discussed by Messrs. Lewis, and the provided in the provided in the physiology, though instruction might be given in it by means of familiar talks, and physiology, though instruction might be given in it by means of familiar talks, and physiology, though instruction might be given in it by means of familiar talks, and physiology at thought, should not be taught to children until they knew something of anatomy and physiology, though instruction might be given in it by means of familiar talks, and physiology at the provided in the provent and the physiology and physiology at the provided in the provided in

cises consisted of singing from music written on the blackboard, naming instantly notes struck on the piano, part singing, etc., in all of which great proficiency was shown, a mistake being seldom made. The audience were so pleased with the performance that they called upon the little ones for a song, in response to which they gave "The Clock," in which all the movements of that instrument were imitated. A vote of thanks was moved by Mr. McAlister and carried unanimously. After the children had left the chairman suggested that a collection be taken up to purchase them some little pre-sent. This was done, and something over The Baptists are talking of holding a great pan-Baptist council.

Baron Fava, the new Italian minister, arrived at New York yesterday.

Sent. This was done, and something over \$10 realized. The last item on the programme was a lesson by Mr. A. Hendry on the tonic sol fa method of learning music. Some of the advantages of the new system, as described him, were the representation of the sale in one position only, instead of

seven or fourteen; the absence of clefs; the representation of the chromatic tones by two marks instead of five; the clear inication of a change of key, and the mark ing of accidentals by a change of the vowel. The time of a note was indicated by the amount of space assigned to it.

After passing a vote of thanks to Mr

Hendry the association adjourned. A PECULIAR TRANSACTION.

On Wednesday forenoon at St. Lawrence narket a farmer named Bone sold a quanminus Aid association for the benefit of Mr. C. H. Matthewson's free library, was held in the Temperance hall on Thursday night. The hall was tastefully decorated, and there were about 200 children present. James Beaty, M.P., occupied the chair, and Dr. Wild and the Rev. Mr. Roberts occupied seats on the platform.

E. B. Shaver & Co.'s clothing and boot and shoe store, No. 154 King street east, was burglarized between Thursday night.

Thomas Garfield a prother of the late.

Country.

His Excellency Mgr. Raymundi, D. D. C. L., bishop of Hong Kong, and papal legate to Peru, spent a few days at the Carmelite monastry, Niagara Falls, last week.

Franz Hilmar, the composer of the first Czech polka, the Esmeralda polka, died at Prague on the 1st inst. at the age of 79. The polka existed long before his time among the peasants of Bohemia, but he first reduced it to written musical form.

Thomas Garfield a prother of the late. tity of butter, contained in a box, to a dealer, who handed the seller a slip of paper, on which was written, "Butter, 44 lbs. at 27c. p. lb.," and some money. The farmer shortly afterwards found that he had only Thomas Garfield a brother of the late suggestion of an old gentleman who entered president, lives on a small farm in Ottawa county, Michigan. He is fifty nine years of age, stoops somewhat, and carries a pair of hands as hard as a pine knot. He is in-

LACROSSE.

nd 30 min.

THE SHAMROCKS IN NEW YORK.

New YORK, Oct. 21.—Considerable interest is manifested in New York in the coming lacrosse exhibition, in which the Shamrocks of Montreal are to participate and meet the New York club. The two teams are to be entertained at dispress after. teams are to be entertained at dinner after the match by Mr. Erastus Wiman, at the rooms of the Westchester Polo club. MONTREAL, Oct. 21.—The Shamrocks left for New York this afternoon. They will also visit Boston, Philadelphia, Baltimore, and other American cities.

EVIDENTLY STRUCK. A dapper little gentleman of pleasant address called in this office last night and address called in this office last night and asked permission to write a notice of the performance at the Royal opera house. He handed in the following: But the thunders of applause which greeted Frank Mordaunt was in no way equal to that which greeted Miss Ina Clayton in her cast of Harriet Lane. She was at first attired in a light ocean-blue dress, which, blended with her golden locks and petite form, gives one the idea of a fairy, or as Scott would describe her.

scribe her.

"Ne'er did Grecian chisel trace
A nymph, a naiad or a grace
Of finer form or lovelier face." PUBLIC OPINION.

St. Thomas Journal: At no time has public opinion been stronger than it is now in favor of the gentle sex being given fair play in the matter of higher education.

Owen Sound Times: The World has hit the nail squarely on the head, for it can bet its bottom dollar there is nobody the people of the Northwest (or for that matter, any other part of the Dominion,) would rather see than old "John A." and we can predict for him such a reception from all lasses in Maniteba and the Northwest as will throw into the shade the reception of marquises or dukes or anybody else who

has ever gone there.

THE FIRE RECORD. The committee on waterworks recommend that \$6000 be appropriated for new mains, etc. Some discussion ensued, and the item finally passed.

Mr. Blackstock appeared for the grape stagar company in regard to the altering of a by-law on exemption from taxation. The matter was allowed to stand over. The committee then adjourned.

Of the day is ushered in with a harsh, grating, smothered cough, accompanied by a chill. The animal becomes very dumpish, staggers, looses flesh, has serious inflammation of the glands about the throat, and unless it is skillfully doctered the pleura and lungs become involved, and pleuro pneumonia ensues.

Lynchburg, Va., Oct. 21.—Lucado & Urquhart's mercantile establishment and a number of adjoining buildings, the depot of the Norfolk and Western railway, several cars and a portion of the Richmond and Alleghapy railway were burned to-night. Loss \$150,000; incentidiary.

—Consumption, that dread destroyer of the human race, is often the result of bad blood and low vitality, a scrofulous condition of the system. Burdock Blood Bittion of the system. Burdock Blood Bit-ters cure Scrofula in its worst form. Trial bottles 10 cents.

INSURANCE

MONEY SAVED.

"A Penny Saved is a Penny Earned." When insuring one's life itis well to SELECT THE BEST medium. It costs less to be in A 600D COMPANY than in We now propose to furnish practical proof of the above statements, by citing one out of many thousands of ces s existing all over the land.

IN A POOR COMPANY. H. B., of Peterboro', insured his life 13 years ago for \$1.966, (the profits to be added to the policy) in a company still doing an active business in Canada, and whose name is found in our chart for the guidane of insurers entitled "TEN YEARS' RECORD." He has paid, in premium, during the 13 years, \$238 28, and for his policy and the bonus additions thereto, he can now obtain from the company a paid-up policy—that is, a policy with no more premiums to pay upon it—of only.

\$250 00.

Pay upon it—of only.

IN A GOOD COMPANY.

Rev. D. K., of Sackville, N. B., and Mr. W. M., of Orangeville, Ont., and scores of others, insured in the ÆTNA LIFE at the same age, in the same year, and for the same amount as H. B., and they have each hed to pay only \$239 17, and each is entitled, should he wish to drop his full it surance, to a paid-up with the same age. licy for Add to this the difference in the cash paid by H. B., and the crest thereon during the 13 years—equivalent to an additional

For the same money, therefore, on the same life, the same insurance could have been obtained from the ÆTNA durms; the 13 years, and, ceasing payment, there would be left to the family, pay the at his death, as above, a paid-up policy of. \$652 00 Whereas, H. B. can now obtain only \$250 00 Difference in favour of dealing with an economical company, \$433 00

Which is More than 170 per cent. Many people, who do not take the trouble to investigate, believe that all companies are about alike; and because all charge about the same premium, they absurdly imagine it is as well to insure with one as another, or with the office or the agent nearest their own door. There could be no greater mistake, as the above figures, from a thirteen years' experience, so clearly show. So long as intelligent business men allow themselves to be arawn into expensively managed companies, so long will there be a poor investment, instead of a good one, to most of the insured.

good one, to most of the mearen.

"The public cannot be misled if, when seeking an office in which to effect an insurance, they select one which transacts its business at a small per centage of working cost."—British Board of Trade Report. For the latest reliable information on this subject consult our chart entitled, of TEN YEARS' RECORD." It makes a most striking revelation of the rea-
