TO THE READING PUBLIC.

A most interesting story, which every body ought to read, was commenced in the FARMER of November 3rd.

# Maritime Farmer.

The Railway Bridge.

The announcement that we are to have a railway bridge across the St. John river at Fredericton, is the most the honest enforcement of the law, repleasing bit of news our people have re- gardless of race, creed or party." ceived for many a day. With a railway system centering here a bridge is a necessity, but even the most sanguine did not anticipate so early realization of the project as is now certain. Mr. Temple M. P., with his usual regard for the

to do, finds life dreary, and must needs comparison of the Dominion candidates in York, Mr. Temple M. P., and Mr. Geo. F. Gregory, and he finds the latter Mr. Temple's superior in every respect. He believes, or he rather writes that he, Mr. Gregory will make an "able and experienced representative," and that in one community and leads a reputable the Americans about treasure these articles as dearest to their hearts. Before leaving the most fif and proper person to represent the most fif and proper person to represent the most fifther than sounty in the Commons. That ha is not the jury who shall decide ettled. It was most effectually settled in 1884, when Mr. Gregory appeared before the electors under much more favorable, conditions than he can now inspires confidence in the stability of its enterprise."

| Size, the plan and general grandent of the courts of Justice, conducted in the court of the courts of Justice, conducted in the city Hall, a stupendous building in the study of charts or diagrams could have done. But let me take you from the State House with all its memories, to a far more striking with all its memories, to a far more striking.

| Size, the plan and general grandent of the courts of Justice, conducted in the City Hall, a stupendous building in the very centre of busy Boston. We were first with all its memories, to a far more striking. then, had some hope of success; they have none now. Nobody in the County of of ever becoming a Judge, or anything, come into power, which is just as unlikely a thing as Mr. Gregory's election. He has been nominated by his party, because Wilson, and he is forced into the field, because he knows if he declines to run now, he will forever after be a dead didature of his party is all moonshine. Everybody who watches political events in the county, knows that a yery large proportion of the Grit party in York would throw Gregory overboard to-morrow, if they could get another [candidate who would make even a decent fight against Mr. Temple. There is open rewhich lands him at so much per line payable by Mr. Blair out of the local

28th inst., and nearly every constituency has its candidates in the field. ture, before it had completed its term, is taken as an evidence of Mowatt's fear of defeat if the elections came off next summer. Mowatt, evidently believing that the Dominion elections would take place this year, or in January next, and that Sir John as usual would carry Onterio, did not dare risk his own administration after the Dominion contest, and so his dissolves and at tempts to defeat if the elections as an evidence of Mowatt's fear of defeat if the elections came off next summer. Mowatt, evidently believing that the Dominion elections would take place this year, or in January next, and that Sir John as usual would carry on the procession is contesting. The hotel that is gesting the unmost. I heard, also, from friends, of the professional success of Dr. Gunter, Dr. Gu ministration after the Dominion contest, and so his dissolves and attempts to an escort of forty-five young ladies and great interest to me. are historic and sublime, are briefly told the stories of great triumphs in the forum and on the field. I took a thorough look through the building, into the various administrative departments of the State, and through the halls of legislation. The departments seem to be run similarly to our own in New Brunswick, only on a much larger scale. The Sentative Council Chamber, is not so large nor so attractive a room as ours, neither is the Representatives' Chamber as grand as our Assembly Hall. On the walls of the former, are hung the portraits of the old Governors of Massachusetts, these including such illustrious names as Endicott, Winthrop, Adams, etc., and directly in front of the Presidents chair are
