THE ALL-HEALING REMEDY !!!

Holloway's Ointment.

A most astonishing cure of Scrofulous Ulcers—a case certified by the Mayor of Boston.

Copy of a letter from J. Noble, Esq., Mayor of Boston, Linconshire.

To Professor HOLLOWAY,

Dear Sir,—Mrs. Sarah Dixon, of Liquorpond street, Boston, has this day deposed before me, that for a considerable time she was severely afflicted with Scrofulous Sores and Ulcers in her arms, feet, legs, and other parts of her body : and although the first of medical advice was obtained, at the cost of a large sum of money, she obtained no abatement of suffering, but gradually grew worse.

Being recommended by a friend to try your Ointment, she procured a small pot, and a box of the Pills, and before that was all used, symptoms of amendment appeared By persevering with the medicines for a short time longer, according to the directions, and strictly adhering to your rules as to diet, &c., she was perfectly cured, and now enjoys the best of health.

I remain, dear Sir, your's truly,
(Signed) J. NOBLE.
Dated August 12th, 1852.

An extraordinary and rapid cure of Erysipelas in the leg, after medical aid had failed.

Copy of a letter from Mrs. Elizabeth Yeates, of the Post Office, Aldwick Road, near Bognor, Sussex, dated Jan. 12th, 1853.

To Professor HOLLOWAY,

Sir,—I suffered for a considerable period from a severe attack of Erysipelas, which at length settled in my leg, and resisted all medical treatment. My sufferings were very great, and I quite despaired of any permanent, when I was advised to have recourse to your Ointment and Pills. I did so without delay, and am happy to say the result was eminently successful, for they effected a radical cure of my leg, and restored me to the enjoyment of health. I shall ever speak with the utmost confidence of your medicines, and have recommended them to others in this neighbourhood similarly afflicted, who derived equal benefit.—I am, Sir, your obliged and faithful servant,
(Signed) ELIZABETH YEATES

A dreadfully diseased Ancle cured after being given up by the Faculty at Malta and Portsmouth Hospitals.

The following important communication has been forwarded to Professor Holloway for publication, by Mr. B. Dixon, Chemist, King st Norwich.

Copy of a letter from Captain Smith, of Great Yarmouth, dated January 19, 1853.

To Mr. DIXON,

Dear Sir,—I send you the particulars of a cure effected by Professor Holloway's invaluable medicines :—Mr. John Walton, late in Her Majesty's Service, in the British fleet at Malta, had a very bad ulcerated ancle, and after being in the Malta Hospital for six months, was sent to England as an invalid to Portsmouth Hospital, where he remained an inmate four months, there, as at Malta, refusing to have the limb amputated, he was turned out incurable. He then came to Yarmouth, and was under a medical gentleman for about three months but his ancle became so much worse that all hope was lost. At this period, by my advice he tried Holloway's Ointment and Pills, which by unremitted applicatication, healed all the ulcers, and restored him to perfect health and strength.

I remain, dear Sir, your's very truly,
(Signed) JOHN SMITH.

Surprising cure of a bad Breast, Nervous Debility, and general ill health.

Copy of a letter from Mr. T. F. Ker, Chemist, &c., Lower Moss lane, Manchester, dated Feb'y 12th, 1853.

To Professor HOLLOWAY,

Dear Sir,—I have great pleasure in forwarding to you the particulars of a very extraordinary cure of a bad breast, effected solely by the use of your celebrated Ointment and Pills. Mrs. Martha Bell, of Pa. street, in this town, had been for a considerable time labouring under nervous debility, loss of appetite, and general ill health, occasioned by ulcerated wounds in the breast. She had much experience in the use of all the known remedies for the cure of ulcers, but without any beneficial result, in fact she had nearly lost all faith and hope of a cure being effected. In this distressing and painful condition of body and mind, she was persuaded to have recourse to your invaluable Ointment and Pills, which she immediately did, and in the course of a very short time the effect produced was most astonishing; her appetite was speedily improved, the sores and ulcers in the breast gradually healed, and the nervous excitement of her system was wholly removed.

I remain, dear Sir, your's faithfully,
(Signed) T. FORSTER KER.
