We Are The Only Firm

Giving to customers cash discounts on orders. We alone catalogue that best of all bush beans, the Warren, and that best of all early peas, the Excelsior. No other seed catalogue of America or Europe contains so great a variety of several of the standard vegetables, and, in addition, are many choice varieties peculiar to our own. Though greatly enlarged in both the vegetable and flower seed departments, we send our catalogue **FREE** to all. The three warrants still hold good, and our customers may rely upon it, that the well earned reputation of our seed for freshness and purity will continue to be guarded as a most precious part of our capital. **J.
