a year.]

SUBJECTS FOR PRAYER.

That increased spiritual power may come upon the membership, missionaries and preachers, and that secret believers in the mission field may be taught of the Spirit.

CHINA—THE ORPHANAGE.

From Miss Brooks.

August 3rd 1897.

Miss Foster has gone with some of the Chinese to the prayer service at Mr. Hartwell's. I am "having an eye" on the babies. The small one—Miss Ford's—is one of the brightest children I have ever seen, and is a great pet with everyone. They are both as healthy as possible; the older one has rather a bad temper, but otherwise is very nice.

We have carpenters engaged making bedroom furniture. We gave them a picture (cut from a Toronto paper) and dimensions, and they produced exceedingly good results. It was a great surprise to me at first.

To-day has been the hottest of the season, and studying is hard work.
