A GREAT deal has been written about learning to say no. If you would teach a man to say no, just ask him if he would like to pay that little bill to-day.

Teachers, singers and public speakers will find Robinson's Phosphorized Constitution of the greatest benefit to them where there is any tendency to weakness of the throat or bronchial tubes...

NEVER SAY DIE THOUGH YOU COUGH Till Your Heart Aches

When the "LIFE RESTORING" East India Remedy is at hand, the gentle will satisfy the most sceptical. It is a positive cure of Consumption, Bronchitis, Asthma, Nervous Debility, and Catarrh. It is an un-ported remedy. Prove it for yourself.

Here are a few extracts from letters of persons who were CURED, and now order for their friends:

"I fear cousin is in a decline, and as thy medicines cured my only brother of a hemorrhage of the lungs about a year ago, I wish cousin to take them. Thy true friend, HANNAH MICKLE, Near Woodbury, N. J."

"As your medicine cured me of Consumption, some three years ago, I want him to try them. I gained fifteen pounds while taking the first three bottles. J. V. HULL, Lawrenceburg, Anderson Co., Ky."

"Mother has been suffering with Bronchitis nearly twenty years, and tried most all kinds of medicine, and says the Cunnabli India is the only thing that gives her relief. JANE A. ASHBROOK, Lovelaceville, Ballard Co., Ky."

"I know all about the Cunnabli India. Fifteen years ago it cured my daughter of the Asthma; she had it very bad for several years, but was perfectly cured. Please send me a \$9 box of your medicine. JACOB TROUT, Deep River, Poweshick Co., Iowa."

"I have taken the Cunnabli India as directed, and am happy to tell you that I am perfectly cured of Nasal Catarrh. You were right, my trouble was not Consumption but Catarrh. JAMES A. CALDWELL, Wabash Av., Chicago, Ill."

"It has cured Mrs. Rebout of General Debility of the whole system, of two or three years standing, and others are trying it with success. BEHOUT & LESLIE, Simpsons' Store, Washington Co. Pa."

Ask your druggist for Dr. H. JAMES' Cunnabli India, and if they fail you, send to us direct. \$2.50 per bottle, or three bottles for \$6.00. Pills and Ointment, \$1.25 each. CRADDOCK & CO., Proprietors, 1032 Race St., Philadelphia, Pa."

A NEW YORK visitor to Boston was interested and puzzled by the constantly recurring "H" on the houses at the street corners. "What are those H's for?" the stranger asked. "They were dropped by the British when they left Boston," was the solemn reply.

CONSUMPTION CURED. An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple vegetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all other Lung Affections, also a positive and radical cure for Nervous Debility and all Nervous Complaints, after having tested its wonderful and unique powers in thousands of cases, has felt it his duty to make it known to his suffering fellow-men. Actuated by this motive and a desire to relieve human suffering, I will send free of charge, to all who desire it, this recipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. NOYES, 219 Power's Block, Rochester, N. Y."

PROBABLY the most remarkable sense of humour ever known was that of a German soldier who laughed uproariously all the time he was being flogged, and when the officer at the end inquired the cause of his mirth, broke out in a fresh fit of laughter, and cried, "Why, I'm the wrong man."

TWO NOTED MINSTRELS.

WHO HAVE WON FORTUNES AND WHAT THEY SAY ABOUT STAGE LIFE.

From Stage Whispers.

"Billy" Emerson has recently made a phenomenal success in Australia, and is rich. Emerson was born at Belfast, in 1846. He began his career with Joe Sweeney's minstrels in Washington in 1857. Later on he jumped into prominence in connection with Newcomb's minstrels with whom he visited Germany. He visited Australia in 1874 and on his return to America joined Haverley's minstrels in San Francisco at \$500 a week and expenses. With this troupe he played before her majesty, the queen, the Prince of Wales, and royalty generally. After this trip he leased the Standard theatre, San Francisco, where for three years he did the largest business ever known to minstrelsy. In April last he went to Australia again, where he has "beaten the record."

"Billy" is a very handsome fellow, an excellent singer, dances gracefully, and is a true humorist.

"Yes, sir, I have travelled all over the world, I have met all sorts of people, come in contact with all sorts of customs, and had all sorts of experiences. One must have a constitution like a locomotive to stand it."

"Yes, I know I can't bear it like a major and I do, but I tell you candidly that with the perpetual change of diet, water and climate, if I had not maintained my vigor with regular use of Warner's safe cure I should have gone under long ago."

George H. Primrose, whose name is known in every amusement circle in America, is even more emphatic, if possible, than "Billy" Emerson, in commendation of the same article to sporting and travelling men generally, among whom it is a great favorite.

Emerson has grown rich on the boards and so has Primrose, because they have not squandered the public's "favors."

CATARRH: A NEW TREATMENT.

Perhaps the most extraordinary success that has been achieved in modern medicine has been attained by the Dixon treatment for Catarrh. Out of 2,000 patients treated during the past six months, fully ninety per cent. have been cured of this stubborn malady. This is none the less startling when it is remembered that not five per cent. of the patients presenting themselves to the regular practitioner are benefited, while the patent medicines and other advertised cures never record a cure at all. Starting from the claim now generally believed by the most scientific men that the disease is due to the presence of living parasites in the tissue, Mr. Dixon at once adapted his cure to their extermination, and the permanency is unquestioned, as cures effected by him four years ago are cures still. No one else has attempted to cure Catarrh in this manner, and no other treatment has ever cured Catarrh. The application of the remedy is simple and can be done at home, and the present season of the year is the most favourable for a speedy and permanent cure, the majority of cases being cured at one treatment. Sufferers should correspond with Messrs. A. H. DIXON & SON, 305 King Street, west, Toronto, Canada, and enclose stamp for their treatise on Catarrh.—Montreal Star
