MISCELLANEOUS.

God is always close to those who need his help.

There are no tollgates on the highway of holiness.

He is the greatest man who does most for his fellowmen.

The man who chases bubbles never has any time to rest.

The most respectable sinners are the most dangerous ones.

Half-heartedness makes no prayers that God can answer.

To be religious should mean to be like Christ, and to do as he did.

God always makes the road in which he wants his pilgrim to travel.

Morality is only the polish on the candlestick. It is not the light.

The more an enemy hates us, the more our kindness will hurt him.

Now see that your blood is pure. Good health follows the use of Hood's Sarsaparilla which is the one great blood purifier.

One of the greatest enemies the saloon has, is the mother who teaches her boy to pray.

The millennium would be here now, if we all lived up to what we demand from others.

When a man gets religion right, the first to find it out will be those who live the nearest to him.

The lady who writes such brilliant stories under the *nom de plume* of "John Oliver Hobbes," is known in private life as Mrs. Pearl Craigie, and her husband is a clerk in the Bank of England.

Among the honorary degrees conferred in America this year a noticeable one is the LL.D. given to Rev. Dr. Washington Gladden by Notre Dame University, a Roman Catholic institution. It is very rare, if not unprecedented, for a Protestant minister to receive such recognition.

The attack of influenza which has caused us to mourn the death of Mr. Huxley, *The Athenaeum* says, might have, perhaps, proved insignificant had it been taken in time; but, when it came on, the Professor was engaged on a second critique of Mr. A. J. Balfour's book, and, in spite of remonstrances, he declined to take to his bed till he had finished his article.

WAITER - BEEFSTEAK, HAM AND EGGS, FOR ONE.

"God gave us meat, but the devil sent us cooks," is a trite saying. From bad cooking, fast eating and overeating, comes a whole train of diseases—indigestion, dyspepsia, biliousness, catarrh of the stomach, headache, dizziness, and the like. God also gave us a brainy man, who compounded the "Golden Medical Discovery," a corrective of all the ills resulting from overeating and bad blood. Dr. Pierce of Buffalo, has furnished in the "Discovery," a great desideratum in America where everybody are in such a hurry to make money, they have no time to eat, and scarcely any time to live. It invigorates the liver, cleanses the blood and tones up the system.

Delicate diseases of either sex, however induced, speedily and permanently cured. Book of particulars 10 cents in stamps, mailed sealed in plain envelope. Address, World's Dispensary Medical Association, 663 Main St., Buffalo, N.Y.
