NOTICE TO OFFICERS OF BRANCHES.

The fiscal year of this Society closed on 31st March, and it is earnestly requested that those Branches which have not yet reported for the year will do so immediately, so that the Reports and Subscription Lists may be included in the Annual Report. Any information concerning the decease of Life Members or Directors, any change of officers or residences, or any other matter of importance in connection with the Society should also be forwarded to the Secretaries, so that the necessary corrections may be made, and that our Annual Report may be as complete as possible.
