

Exhaustion

HORSFORD'S ACID PHOSPHATE.

Prepared according to the directions of Prof. E. N. HORSFORD.

Every fibre of the human body contains the phosphates. They are the vital elements of every tissue, and are essential to the maintenance and promotion of sound bodily health.

These phosphates are consumed with every effort, and if the waste is not supplied exhaustion will follow.

Horsford's Acid Phosphate supplies these phosphates, and thereby relieves exhaustion and increases the capacity for labor.

Dr. A. N. KROUT, Van Wert, O., says:

"Decidedly beneficial in nervous exhaustion."
