

# IMPORTANT TO SCHOOLS

**OUR** METHODIST BOOK ROOMS have for years maintained supremacy as emporiums for the supply of Library Books. That reputation will be further enhanced by the fact that we have secured the joint agency for the sale in Canada of the publications of

## The Religious Tract Society, London, England.

A publishing house which issues more Sunday School Library and Reward Books, and of a higher character, than any other in the world.

We give here a copy of the official circular sent out by the Depository of the Society:—

*The Religious Tract Society,  
56 Paternoster Row,  
London.  
August, 1892.*

*I have pleasure in announcing that arrangements have been made with*

### The Copp, Clark Company

. . . AND THE . . .

### Methodist Book and Publishing House, Toronto,

to be our Agents for the sale of the Society's publications throughout the provinces of Ontario, Manitoba, British Columbia and the Northwestern Territories of Canada. These Firms will carry a large assortment of our books, especially such as are adapted for Sunday School rewards and prizes.

Our new books will also be sent to them immediately on publication.

This will necessitate the closing of some accounts which are now open, and I must therefore request that after September 30th all orders be sent through the above Firms.

I trust that these arrangements will be agreeable to our friends, and may result in a more extended sale of our publications.

I am,

*Yours faithfully,*

R. BRADSHAW, Depository.

Schools in need of Libraries will kindly keep in mind the fact that we carry a large assortment of the Religious Tract Society's books at all prices, from 12 cents up. Every book that bears the imprint of this house may be taken without question.

We shall be glad to communicate our terms to schools wishing to purchase Library Books.
