NOTICE.—Agents and subscribers must see the necessity of forwarding their several amounts due, as the Committee is largely indebted to the Publisher, and the only funds they can command are the outstanding debts. There are several sums due in New Brunswick, Canada, Newfoundland, Prince Edward Island, and in this Province, which, if they were forwarded, would liquidate all the debts due by the Committee of Management. If the accounts be not settled by next issue, we will be compelled to show an abstract of the debts due.
