

HOO-HOO.

Owing to the short notice a number of lumbermen were not able to attend the meeting held last Friday. Another grand concatenation will be held at Toronto, on the 28th of August, for those desirous of joining.

ONTARIO TIMBER LIMIT SALE

In this issue will be found an announcement of the proposed sale of timber limits to be held by the Ontario Government on December 9th next. The limits to be sold aggregate about 900 square miles. The hardwood and timber other than pine on the limits, except some non-agricultural areas in the Rainy River district, will remain the property of the Crown. The conditions of the sale provide that ten years only will be allowed the purchaser to complete the cutting of the timber. The ground rents have been increased to \$5 per square mile, an advance of \$2. The

Crown dues payable when the timber is cut have been advanced to \$2 per thousand feet board measure, and on square timber to \$50 per thousand cubic feet, these being double the rate charged on old limits.
