

## MOTHERS' MEETING.

The Mothers' Meeting under the superintendence of Mrs. Gosling brought their session to a close on Easter Tuesday. The session has been in every way a most successful one, both as regards largely increased numbers and the interest shown by the members in the proceedings. A feature of this year's work has been the establishment of a Crèche, which has been ably presided over by Miss Kirkpatrick. By this arrangement the mothers are able to give an undivided attention to the study of domestic economy and other subjects interesting to the maternal mind.

## EASTER VESTRY MEETING.

The annual meeting of the Vestrymen took place on Easter Monday evening in the school-room—the Rector in the chair. The attendance was very small, only some twenty-one men being present. As will be seen by the accounts here appended, the annual statement of the churchwarden, Mr. H. L. M. Weller, was considered most satisfactory, and was, after some small discussion and explanation, unanimously

adopted. In spite of extensive repairs to the church fabric, of cleaning and repairing the organ and the abnormal price of fuel, the finances were found to be in good shape and the floating debt was still further reduced out of the ordinary revenue.

The Rector, in nominating Mr. Weller as his Warden, spoke in very high terms of the services which he had rendered the church during the past year. Only those closely connected with the working of the parish can form any idea of the amount of patient labour which Mr. Weller has put in, and he deserves indeed the very hearty thanks which was accorded him by the Vestry. As the two gentlemen who were nominated for the office of People's Warden declined to serve, this appointment was postponed to the adjourned Vestry meeting, on April 27th, when Mr. Richard Baines was elected. The Sidemen, with their Chairman, Mr. Huson Murray, K.C., were thanked and re-appointed. Votes of thanks were also passed to the choir and W. A. Messrs. Huson Murray, K.C., C. W. R. Biggar, K.C., and Mr. George Harman were appointed as delegates to the Synod.
