

## LITERARY.

The fund left by Sumner to complete the publication of his works has been expended, and there are several volumes unprinted. The sale of those already published has been small.

Non-German readers delighting in Auerbach's tales, not for their poetic value alone, but because they portray the deepest and most delicate shades of the German national character with true artistic skill, will be interested to learn of the publication of a new and more philosophic book by the author on a related subject. In a work entitled "Tausend Gedanken," Auerbach gives fragmentary thoughts and maxims which, individually colored, reflect the spirit of modern German society with wonderful accuracy.

## THE PHANTOM GUARD.

The Burland-Desbarats Co. of Montreal, are more indefatigable than ever in producing graphic illustrations of local and Canadian events. The latest publication contains a spirited full plate engraving, which represents the memorable scene of the 21st of December last, when the Phantom Guard, led by Hugh McQuarrie, requests Colonel Strange, the actual Commandant of the Quebec garrison, to fire a last salute in honor of the doughty doings of that night one hundred years previous when Montgomery fell on Cape Diamond. The letter-press descriptive of that celebrated *night encounter* has been taken from and accredited to our local reporter's account, and has been reproduced verbatim in the columns of our energetic and artistic contemporary.—*Quebec Chronicle*.

## A TRIUMPH OF MEDICAL ART.

Yes, a triumph we call it, when medicine can be so "fixed up" as to be pleasant to take and yet accomplish the object intended. Such a medicine Dr. Pierce's Purgative Pellets, samples of which the writer procured and tested in his own family. The Pellets (little pills) are about one-fifth the size of an ordinary pill, made of highly concentrated root and herbal extracts, and sugar-coated.—*Frankfort (Ind.) Weekly Crescent*.

For Jaundice, Headache, Constipation, Impure Blood, Pain in the Shoulders, Tightness of the Chest, Dizziness, Sour Eructations from the stomach, Bad taste in the Mouth, Bilious attacks, Pain in region of Kidneys, Internal Fever, Bleated feeling about Stomach, Rush of Blood to Head, and Giddy Forebodings, take Dr. Pierce's Pleasant Purgative Pellets, or Sugar-coated, Concentrated Root and Herbal Juice, Antibilious Globules, the "Little Giant" Cathartic, or Multum in Parvo Physic. Sold by dealers in medicines.

MANY PEOPLE THINK that if they have a slight cold or cough, the best thing they can do is to do nothing, but simply let it wear off. It is the indulgence in this fearfully erroneous idea that makes the dread scourge of Consumption so frightfully common—so common, that it is estimated that war is as nothing, and pestilence a bagatelle compared to it. Never neglect a cold till too late, but use Wingate's Pulmonic Troches, which give immediate relief. Sold everywhere for 25 cents. 13-1-52
