The Blues

Despite all we can do, they occasionally come and cast in dark shadow our aims hopes and expectations. Avoid disappointment by not expecting too much: avoid waste of money by never purchasing the worthless; avoid sore spots in the heart, or where the heart should be, by always using Putnam's Painless Corn Extractor, the only sure, safe and painless remedy in the world for corns. Beware of substitutes, counterfeits and imitations. Sold by druggists and dealers in medicine everywhere.

A magnificent cathedral has just been completed in Moscow, to commemorate the retreat of Napoleon from Russia. The building, which will accommodate some ten thousand worshippers, and the total cost of which has been over £2,000,000 (\$10,000,000), has been in process of construction for the last fifty years. One of its bells, it is said, weighs over twenty-six tons. The human figures on the dome are fifty feet in height.

If you want knowledge you must toil for it; if you want food you must work for it; if you want pleasure you must earn it,—but if you want nice soft hands you have only to use Estey's Fragrant Philodermis.

A young man writes to ask when to marry. Under ordinary circumstances we should say the best time to marry is when you have everything ready and can get some one to have you.

Do you feel languid and dull, and have no appetite, then your system is out of order and requires a good bracing medicine. Take a few bottles of Estey's Iron and Quinine Tonic.

The population of Nevada is said to be steadily diminishing. The Carson Tribune estimates that there are now not more than 12,000 voters in the State. In 1880 the total vote was 16,611. Only one county has 3,000 voters, and of all the others only three have a voting population in excess of 1,000 each.

Coleridge says, "Some readers are like the hour-glass, their reading as the sand. It runs in and runs out, but leaves not a vestige behind."

A person being asked what was meant by realities of life, answered: "Real estate, real money, and a real good dinner, none of which can be realized without real hard work."

It is a dangerous thing to neglect a cough or cold or any difficulty of the throat or lungs. Lose not a moment in getting a bottle of Johnson's Anodyne Liniment. You can rely upon it to cure you. It is also a sure preventive of diphtheria.

During the past year 2,455 patents were granted in Canada. The amount of fees received was \$65,530, as against \$73,023, 20 in the previous year.

"Some readers are like a sponge, which drinks in everything, and returns it in the same state, only more mudily."

We advise every farmer or stock raiser to invest in Sheridan's Gualtry Condition Powders and feed them out to their herds this winter. Depend upon it it will pay big interest. Don't buy the large 25 ct. packs as some of them are worthless.

The statement of the Consolidated Fund of the Dominion up to the 31st Dec. shows a surplus of receipt over expenditures for the six months of \$1,195,983.

"Some are like a jelly bag, which allows all that is good to pass away, and only retain the dregs."

Put it down as a rule, that manure lying in the yards a year will in one way or another deteriorate one fourth in value.

During the last year letters patent have been issued by the Lieutenant-Governor of Ontario for the incorporation of 96 companies. The total Capital stock of the companies amounts to \$9,526,500. The highest capital stock of any single company was \$2,000,000, and the lowest \$300.

"A fourth class of readers is like the slave of Golconda, who, casting away all that is worthless, preserves only the pure gems."

This Preparation has all the properties of a cooling and purifying Saline. It is an elegant Pharmaceutical preparation, and at the same time a pure mixture of Acids and Salts, whilst, from its effervescence, it will be found to produce a certain and beneficial result.

DISCRIPTION FOR USE.—A teaspoonful, in a tumbler of water, forms a mild aperient, and an anti-fever draught.
