CARRYING WAR

Into the enemy's country. This is verified in the case of PUTNAM'S PAINLESS CORN EXTRACTOR, so favorably known throughout Canada. The large demand from the United States for the great corn cure has induced the proprietors to put it up there, and boldly push it to the front as the leading article in its line. From England also a demand has arisen. This is the reverse of the usual methods, as a large portion of the proprietary goods sold here emanate from these countries. This speaks highly in favour of Putnam's Extractor, the great corn cure. We advise sufferers from this discomfort to test its merit.—*Exchange.*

Enjoy the blessing of this day, if God sends them, and the evils bear patiently and sweetly, for this day only is ours; we are dead to yesterday and are not born to to-morrow.—*Taylor.*

INDISPENSABLE.—There are some simple remedies indispensable in every family. Among these, the experience of years assures us, should be recorded Perry Davis' Pain-Killer. For both internal and external application we have found it of great value; especially can we recommend it for colds, rheumatism, or fresh wounds and bruises.—*Christian Era.*

Be self-reliant: do not take too much advice, but rather depend on yourself.

Horseford's Acid Phosphates.

A RELIABLE ARTICLE.

Dr. E. Cutter, Boston, Mass., says: "I found it to realize the expectation raised, and regard it as a reliable article."

One to-day is worth two to-morrows.

A cough or cold taken between now and Christmas frequently lasts all winter. This is certainly the case with people who have weak lungs. The most convenient, reliable and inexpensive remedy is *Johnson's Anodyne Liniment*. It is to be used internally and externally.

Whatever is worth doing at all is worth doing well.

SCOTT'S EMULSION OF Pure Cod Liver Oil, with Hypophosphites.—*Is Excellent in Lung Troubles.*—Dr. Enoch Calloway, LaGrange, Geo., says: "I have used Scott's Emulsion with wonderful success in all Lung troubles, also find it has no equal in Summer Diarrhoea of children."

Observe system in all you do and undertake.

Last winter we warned our readers against buying the large packs of worthless horse and cattle powders, and as it is now time to begin to use them, we again urge them not to throw away their money. *Sheridan's Powders* are strictly pure, but we know of no others that are.

"How's Your Liver?"

In the comic opera of "The Mikado" his imperial highness says: "To make to some extent, Each evil Liver A running river Of harmless merriment."

A nobler task than making evil livers, rivers of harmless merriment no person, king or layman, could take upon himself. The liver among the ancients was considered the source of all a man's evil impulses, and the chances are ten to one to-day that if one's liver is in an ugly condition of discontent, someone's head will be mashed before night!

"How's your liver?" is equivalent to the inquiry: Are you a bear or an angel to-day?

Nine-tenths of the "pure-cussedness," the actions for divorce, the curtain lectures, the family rows, not to speak of murders, crimes and other calamities are prompted by the irritating effect of the inactivity of the liver upon the brain. Fothergill, the great specialist, says this and he knows. He also knows that to prevent such catastrophies nothing equals Warner's safe cure renowned throughout the world, as a maker of

"Each evil Liver A running river Of harmless merriment."

Words should never be spoken too fast, they never result to anything good. A man with quick temper will show his character by his words, wherever he is. He will always be disliked by his fellow men. Never say anything in haste, for a word once spoken cannot be recalled.—*Tillotson.*

THE best Ankle Boot and Collar Pads are made of zinc and leather. Try them. *cow*

May we consider each night as the tomb of the departed day, and seriously leaning over it, read the inscription written by conscience, of its character and exit.—*Foster.*

Wise men are instructed by reason; men of less understanding by experience; the most ignorant by necessity and beasts by nature.—*Cicero.*

The unanimous voice of the druggists of Halifax:

We, the undersigned druggists, take pleasure in certifying that we have sold Puttner's Emulsion of Cod Liver Oil, &c., for a number of years, and know it to be one of the oldest as well as (especially of late) one of the most reliable preparations in the market for the cure of consumption, bronchitis, asthma, coughs, and all lung diseases.
