A lady once lamenting the ill luck which attended her affairs, when a friend, wishing to console her, bade her "look upon the bright side." "Oh," she sighed, "there seems to be no bright side." "Then polish up the bright one!" was the reply. This was sound advice.

Old Dr. Johnson was a benefactor. Seventy-five years ago, he invented what is now called Johnson's Anodyne Liniment, the wonderful success of which in the cure of diseases of the head, throat and lungs is truly astonishing. No family should be without it.

ADVICE TO MOTHERS.

Mrs. WINSLOW'S Soothing Syrup should always be used for children teething. It soothes the child, softens the gums, allays all pain, cures wind colic, and is the best remedy for diarrhoea. 25c a bottle.

Nobody does anything in this world whose mind is made, like the legs of a grasshopper, for giving jumps now and then, instead of going steadily on, every day doing his duty, and carrying the load of every day, like the patient ox, who, though he may be slow, is, at all events, sure.—Bishop Wilberforce.

Thousands of dollars might be annually saved to farmers if they would give freely Sheridan's Cavalry Condition Powders to their horses, cattle, sheep, hogs, and fowl. They prevent disease and promote the growth. We said Sheridan's. Those put up in large packs are utterly worthless.

Truth is the most royal thing in the world. It is the only thing that can rule in the end. The man who is quick to tell the truth is king among his fellows.

Andrew King, proprietor Metropolitan Stables, Halifax, writes that he was confined to the house for several weeks with rheumatic gout, could not touch his foot to the floor; after trying all other remedies applied Minard's Liniment and it cured him in a few days. He says he believes it is the best Liniment in the world for man or beast.

DO NOT FORGET IT

It is a fact that Nerviline cannot be surpassed by any combination for the relief of pain. The reason is a good one. Nerviline contains the best, most powerful, and the latest discovered remedies. It is a magic pain cure. Rheumatism, stiff neck, cramps, neuralgia, colic, in fact all pain, internal and local, are subdued in a few minutes. Go at once to any drug store and get a trial bottle. It will only cost you 10 cents, and you can at a small cost test the great pain cure, Polson's Nerviline. Large bottles 25 cents.

"What are pauses?" asked the teacher of the primary class "Things that grow on cats," piped the small boy at the foot.

If, farmers and others continue to buy dust and ashes put up in big packs and sold for condition powders, it would be our fault. We have exposed the swindle time and again. Sheridan's Powders are the only kind we know of worth carrying home.
