¹ Exclusive of the International Bank for Reconstruction and Development and the International Monetary Fund, whose operations are financially self-sustaining.

² For the method of arriving at the net budget see pp. 90-91.

³ Because the budgets of most organizations are expressed in United States dollars all the amounts in the table are shown in that currency for purposes of comparison.

⁴ This amount does not take into consideration the 16 new members of the U.N. whose membership was approved at the tenth session of the General Assembly.

⁵ Supplementary estimates (which become part of the assessment appropriations of the succeeding fiscal year) amounted to \$701,870 for 1954, and \$3,264,200 for 1955.

⁶ The figure published in Appendix III of *Canada and the United Nations 1953-54* has been revised to include Canada's assessment to the Postal Union of the Americas and Spain, a regional organization of the UPU.
