Company/Product

AGRA Industries Limited is a diversified international company with business interests around the world. Since its incorporation in 1960, Agra has grown into a major publicly-held corporation whose shares are traded on the Toronto and Montreal Stock Exchanges.

Current Geographic Marketing Activities

Agra employs approximately 6,000 people in more than 140 offices and locations in Canada, the United States, the Caribbean, Europe, South America, Africa, Asia, and Southeast Asia.

Contact Sought

The company concentrates on two core business areas: engineering and construction, and waste management and recycling. This corporate focus in harmony with Agra's traditional strengths and the business opportunities which will be created by the three dominating issues of the next decade – energy, the environment, and the global economy.
