

ANNEX

This report has been prepared by the federal government in co-operation with other governments, organizations, and major groups in Canada.

These governments and organizations were either consulted during the preparation of the reports to the CSD or were involved in the examples specifically mentioned in the reports. However, there are numerous groups and organizations in Canada not on this list that have undertaken activities to implement the principles of sustainable development.

More complete information about particular aspects of the report can be obtained by contacting any of the following.
