Dear Ministers,

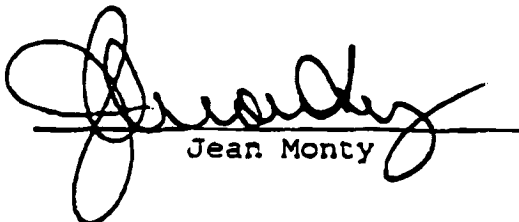

We are pleased to present the Report of the Second Annual Forum on Foreign Policy. Representatives from the academic, policy, media, NGO and business communities were invited to discuss the role of international institutions in Canadian foreign policy. The Report reflects the wide-ranging views and opinions of the participants as expressed at our sessions on September 10-11, 1995.

Each of the Forum's four Working Groups was assigned specific responsibilities. The credit for the Report's recommendations to the Government goes to the Working Groups and their Chairs who have reported on their deliberations.

The Co-Chairs recognize the contributions to the Forum of the University of Toronto and its President and the Government of Canada. We are also grateful for the leadership and interest from the Prime Minister and yourselves.

We appreciated the opportunity to participate in the Forum and thank you for the opportunity to serve as Co-Chairs.

Sincerely,

Jean Monty
