

The Government shall communicate to the Board the results of the study and shall indicate the remedial measures that it considers necessary to take.

- (d) If the Board finds that the Government concerned has failed to give satisfactory explanations when called upon to do so under sub-paragraph (a) above, or has failed to adopt any remedial measures which it has been called upon to take under sub-paragraph (b) above, *or that there is a serious situation that needs co-operative action at the international level with a view to remedying it*, it may call the attention of the Parties, the Council and the Commission to the matter. *The Board shall so act if the aims of this Convention are being seriously endangered and it has not been possible to resolve the matter satisfactorily in any other way. It shall also so act if it finds that there is a serious situation that needs co-operative action at the international level with a view to remedying it and that bringing such a situation to the notice of the Parties, the Council and the Commission is the most appropriate method of facilitating such co-operative action; after considering the reports of the Board, and of the Commission if available on the matter, the Council may draw the attention of the General Assembly to the matter.*

2. The Board, when calling the attention of the Parties, the Council and the Commission to a matter in accordance with paragraph 1 (d) above, may, if it is satisfied that such a course is necessary, recommend to Parties that they stop the import of drugs, the export of drugs, or both, from or to the country or territory concerned, either for a designated period or until the Board shall be satisfied as to the situation in that country or territory. The State concerned may bring the matter before the Council."
