

We will:

- intensify our communications with the International Trade Centres, Team Canada Inc partners, Investment Partnerships Canada, and Science & Technology partners to ensure that they do not unduly task posts and burden them with unreasonable demands

Leader: Marie-Lucie Morin

Starting: Fall, 2001

- help you to implement fully a client friendly additional service approach which includes Business Mission Agreement so as to reduce further the demands for logistical and administrative work

Leader: Peter MacArthur

Starting: Fall, 2000
