And the Clerk proceeding to announce the result of the vote:

Mr. Robichaud: Mr. Speaker, on a point of order, before the result of the vote is accepted I wish to point out to Your Honour that it has been the practice in the house that no vote should be cast after the Speaker has called the vote. As the hon. member for Quebec West (Mr. Bissonnette) came in after at least 50 per cent of the members had voted I would ask for a ruling in this case.

An hon. Member: Don't be so small-time.

Mr. Deputy Speaker: Order. It is quite true that hon. members must be in their seats when the vote is taken. Consequently, since the hon. member for Quebec West was not in his seat I will ask the Clerk to strike his name from the division list for the last vote.

Mr. Bell (Carleton): Aren't you proud of yourself?
