MONTREAL.

Dear Colonel Bovey:

First of all, may I thank you very much indeed for the excellent lunch and very nice time you gave me on Saturday. I enjoyed it immensely.

Secondly, with reference to Col. Steel's letter, I think it is too late for the broadcasts to be effective and in any case, I could not split the message up in Parnell's absence, as I do not know the people up north. If, however, the C.R.B.C., had made this suggestion when the message was first sent in last Fall, I am sure it could have been done.

With many thanks for your help in this connection.

Yours sincerely,

Thomas W. Cameron
