

*From G. W. CAMPBELL, Esq., A.M., M.D., etc. ; Dean of the Faculty
of Medicine ; and Professor of Surgery, McGill University.*

I hereby certify that Doctor John Bell, M.A., attended one Session at the Medical Classes of McGill University, and graduated in Medicine in 1866. Dr. Bell was a diligent and attentive student, passed a very creditable examination, and I believe is well qualified to fill the office of House Surgeon to the Montreal General Hospital, for which, I understand, he is a candidate.
