

Direct Legislation

The Direct Legislation Leagues of Manitoba and Saskatchewan are maintained for the purpose of carrying on a campaign for the establishment of the principles of the Initiative and Referendum in the provincial governmental systems. They are supported entirely by voluntary subscriptions, and are strictly non-partizan organizations. The annual membership fee is one dollar, though subscriptions are not limited to that amount.

If you believe in placing more power in the hands of the people by means of Direct Legislation, your co-operation and financial support is earnestly solicited. Members are furnished with all literature issued by the Leagues from time to time, and are kept fully advised of the progress of the movement. Write for further particulars, or send subscriptions to
