

although such persons are not on the Assessment Rolls or the Township Clerk's list, and require them to do two days statute labor each; provided always that such persons shall not be above the age of sixty years, or emigrants not residing six months in this Province.

6th—That a day's statute labor shall consist of eighty hours faithful work, exclusive of the time spent in going to and returning therefrom, and a team of oxen or horses with a wagon, plow or otherwise, and a competent driver shall count and be allowed by the Overseers as three days' work and no more.

7th—That it shall be in the power of persons to commute their statute labor at the rate of seventy-five cents per diem for every day's statute labor they may have to perform; provided always that such commutation money in lieu of statute labor shall be paid to the Overseers of Highways in their respective divisions at the time such Overseers warn them out to perform the same, failing which payment the right to commute shall cease, unless the Overseers shall within six days find it to be advantageous in the discharge of their duties afterwards to accept the same in lieu of such labor; and provided further that all statute labor not performed on or before the first day of October in each year (except that of non-residents, a return of which shall be made by the fifteenth day of August) shall be returned by the Overseers of Highways in their respective divisions immediately after the said first day of October to the Clerk of the said Township, by whom the same shall be placed on the Collector's Roll at seventy-five cents commutation per diem, and such commutation shall be collected in the same manner as other taxes due the Municipality.

8th—That Overseers shall have the power to direct any persons liable to perform statute labor to bring such tools and implements, and such teams of oxen or horses as they may be possessed of, and that may be necessary in the performance of the work to be done, and if any person or driver shall refuse and neglect to work faithfully, or to carry sufficient loads, the Overseer shall have the power to discharge such persons so refusing and neglecting, and the person shall be liable to the due performance of his statute labor as if no such person had attended.

9th—That it shall be the duty of the Overseers to see that no person shall commit trespass by cutting any timber or trees growing on any highway within their respective divisions, or removing any fallen timber, stones, gravel or sand therefrom, and to prosecute any person who may be guilty of any such trespass according to law and it shall be the further duty of such Overseers, and they are hereby required, to cause all boars, pigs,
