Model Eighty-Five

The Car Ahead

HERE IS the Overland Model Eighty-Five—the low-priced quality car that has been the choice of thousands.

Drive where you will, you are sure to see an "Eighty-Five" and more often than not it will be pointed out as the car ahead. For this Overland Eighty-Five has power and plenty of it.

Moreover, it is a smooth-running, easy-riding family car, one that will accommodate five people comfortably without crowding.

You can have your choice in this model of either a four cylinder engine or a six. The wheelbase of the Four is 112-inches-the Six 116-inches. Both are exceptional values.

A demonstration will convince you.
