Mason & Risch Pianos FROM FACTORY TO HOME!

### WHY THEY SOUND SO MUCH BETTER

The Mason & Risch tone is due to special exclusive construction—a famous scientific principle long tested, and impossible for other makers to duplicate.

Each part of this piano is especially selected with the experience, the study of years behind it, and these parts are assembled with skill and accuracy in a scientized factory. It is this special construction, this special selection of material that gives Mason & Risch Pianos their remarkable

And you buy direct from the makers of the instrument—you enjoy the "factory to home" privileges that save you the middleman's expense.
