RECORD SMASHED IN SECOND HEAT OF THE MATRON STAKE TROT Tommy Murphy Drives David Guy to Victory. PHILADELPHIA, Aug. 15 .-- For the first time in several years the Matron Stakes, one of the most important of the 3-year-old trotting events of the

grand circuit was decided in the east today and was won by David Guy, owned by the Oettinger brothers of Poughkeepsie, N. Y., and driven by Tommy Murphy. There were six starters and Hollyrood Bob was picked to win the race. Nella Dillon won the first heat in 2:06 1-4, a new 3-yearold record for the track, and David Guy took the next two, clipping the record to 2:05 1-4 in the second heat The Winoga Stock Farm's stake of \$5,000 divided honors with the Matron and resulted in a popular verdict for Ed. Geers, who drove June Red home first after Alma Forbes had taken the first heat. In addition to first money, Geers was presented with a silver cup by E. T. Stotesbury. The Hotel Adelphia stake of \$3,000 was won by Un, with two heats in 2:05 1-2. The Royal Knight took the Bull's Hollyrood Bob, (Dodge) 3 2 4

Vancouver, Aug. 16.—Con Jone's tour of the east at the head of a Pacific coast all-star lacrosse team is still hanging fire. The Vancouver management last week wired several of the eastern cities concerning plans for the tour, all proceeds above actual expenses of the Pacific coast players to go to patriotic funds. Matches in Toronto, Ottawa, Montreal, New York, Chicago and Winnipeg will be included in the itinerary if the team goes.

Frank Moran was nominated to do the trick. Johnson had trained little for the contest, which took place June 27, 1914, at the Velodrome in Paris with Georges, Carpentier as the referee. Moran carried Johnson along for twenty rounds, and while the latter earned the decision he was very tired at the finish.

Thereafter, howdown the stretch. Thereafter, however, there was nothing to it but Bin-land. The other two races were any-thing but easy affairs. The first race, the 2:25 trot was a joke. In the open-ing heats it resembled a running race more than anything else. But as a race it was the real thing as they fought it out like champions. The 2:12 pace was a real race. Twelve started and they raced all the way. It went six heats. Hal King was the favorite. The winner bobbed up in Dropwood.

But what has that to do with Jess Willard, the world's champion, you will ask? Because he lives a clean life, is that any excuse for the disgruntled critics to make him the target of abuse? Now, here is where Willard has proven himself to have more real brains than all his unbiased critics, rating them as a team.

On April 5, 1915, he beat Jack Johnson for the world's heavyweight title at Havana, Cuba, in twenty-six rounds. For six and a half years Johnson had traveled through the world undefeated.
