RECRUITING SUGGESTION.
To the Editor of the Times:
SIR—We are continually reading many suggestions for recruiting in your valuable columns, but certainly without very great success. We have right here in our city hundreds of well trained men (Officers, N. C. O's and men) who have received their annual "drill pay" for many years, doing actually nothing in the time of need, through no fault of their own, for various reasons. Now, Sir, if all the employers would call for volunteers it would give many of these men a chance to prove themselves men who at present feel bound to their employers for just kindnesses and endeavors to make their lives worth living. We are well aware it would be quite a sacrifice on the part of many employers to release men of trust or holding responsible positions, but by so doing they would not only be doing their

SALMON ARE BITING
When the Quebec express pulled into Matapedia yesterday two American sportmen greeted two others, who alighted from the train, with great effusiveness. Asked how a fifth sportman was getting on with his salmon fishing, one of the Americans said:
"Got twelve the other morning. Won't speak to me now when he comes down—he's gittin' 'em so fast."
From other sources it was learned that the salmon fishing in the Matapedia waters is excellent this season.

COME AGAIN.
Thos. F. Dunham, his son, W. S., and the latter's wife, left by the Boston boat after spending two weeks with Mrs. Daniel Wilson at Cambridge, Washademoak Lake and the remainder of their trip with Mr. and Mrs. Fred C. Dunham in St. John West, brother of Thomas F. They all voted the feeling that this was the most pleasant vacation they had ever spent. They were very enthusiastic over the beauties of the St. John River and Washademoak Lake country and of St. John as a city and of the people as a whole. Thos. F. Dunham is a native of St. John, but left here more than fifty years ago to enter the employ of Waltham Watch Company, where he is still employed.

MAJOR LONG IS ADJUTANT

Regiment up to Full Strength—Included in the Ranks Are Some Half-Hundred Men Who Fought in South Africa

Capt. R. A. March, quartermaster of the 6th Mounted Rifles has been promoted to the rank of major. He has proved himself a most efficient officer and by none is he more warmly congratulated than by the officers and men of the 6th, with whom he is personally very popular. His position is one involving much hard work, and he has proved himself equal to every demand made upon him.
Major J. Long, one of the ablest military instructors in Canada has been made adjutant in the 6th Mounted Rifles. The men are highly pleased with his appointment. With Colonel Ryan in command and Major Long as adjutant the 6th is fortunate. Capt. Roscoe has been appointed second in command of a squadron. The regiment, unlike some others at Valcartier, is up to full strength. The 4th and 8th C. M. R. are up to the full strength. Lieutenant Colonel Smart commands the brigade with Lieutenant Colonel F. B. Black second in command. This splendid brigade will do honor to Canada, to whatever portion of the field it may be sent. There are about fifty South African veterans in the ranks of the 6th Regiment, under Colonel Ryan, and many others in the 4th and 8th.

JOSEPH TEBO IS RECOVERING WELL FROM HIS WOUNDS

Brussels Street Man With First Field Ambulance Writes Home and Wife Also Gets Red Cross Notice

Joseph Tebo, who left St. John with the first Field Ambulance in the first contingent, is now in the Bell Tower Hospital, Berwick-on-Tweed, Scotland, recovering from wounds received in France.
In a letter to his wife he says: "I have been under an operation for injuries to my head and am doing fine, although I am almost deaf. We had some pretty good times here, but we don't mind any thing like that. I expect to be back in the trenches in a month's time and try my luck again. I wish the boys mentioned would come along for I am longing for a smoke from home."
Mrs. Tebo received a letter from the information department of the Canadian Red Cross in England giving her husband's address and saying that he is going on very well.

EAGER TO GET TO WAR, TAKE THE FIRST CHANGE

Some incidents at Valcartier—Few, Not Anxious to go, Get Ducking in Hotse Trough

A week ago yesterday a members of the Times staff was on a train en route to Valcartier. In the same car were military officers, and most of the talk was on military matters. Yesterday the Times man was again on a train en route from Valcartier to St. John. In the same car were three military officers, all young, en route to Halifax for a special course. When one expressed surprise that another of the trio, an English Canadian, was going to France, the regiment from Montreal, the latter replied:
"Well, I want to get across before the war ends, and I took the first chance."
At Valcartier the Times man met a member of the 27th Battery who had transferred to another unit to get across the sooner, and two other men who were seeking to do the same.
The men of the 6th C. M. R., the splendid regiment from the maritime provinces, are eager to get across, and when they learned one day last week that several of their comrades had secured their discharge, they scoured the men with "cold feet," and gave each of them a thorough ducking in one of the long horse troughs.
"Seems them right—the outitters!" was the comment of the men of the regiment as the volunteer ducking squad, with yells of delight, carried their ex-comrades one after another to the horse trough.
At Valcartier on Saturday the Times man met Major Weyman, Major Jones, Chaplain Thomas, Lieutenant Corry, Lieutenant Polye, Sergeant London, Charles Labbe, Gibbs, a well known dancer, and other members of the 60th Battalion, which arrived the day before and was snugly under canvas close to the 1st Y. M. C. A. tents. They were all highly pleased with their quarters, and with the big training camp. Next to them are encamped the 40th Battalion from Nova Scotia.

GERMAN DERBY A SUCCESS
Hamburg, July 18, via London, July 18.—The "Deutschere Derby," the biggest sporting event of the year in Germany, was won today by Haniel's Pon-treina with Jockey Phierokke up. The prize for the winner was 125,000 marks \$31,250. The race was run on a muddy track, which put the favorites out of commission at the start.
In spite of the war and its handicap the Derby had more starters (20), than in any year since 1909.
