### NEW CLOTHES FOR THE COONS

"Say, Uncle Ring, does corn make you fat?" asked Coby. "Nancy, Nick & Company," was as busy as a bee here the next few days, getting ready for the opening of school. All the wood children had to have new clothes.

Among others were Mister Ringtail Coon's two nephews, Coby and Cobby, who had come in from the country.

"Oh, we don't like to be stylish," Uncle Ring, begged Coby. "All the fellows will make fun of us."

"Well, you're all shreds and patches now," said Uncle Ring. "I hear that Nancy, Nick & Company are pretty good. Nick can look you over and make you two new suits apiece. One for Sundays and one for school."

"Oh, we don't like to be stylish," Uncle Ring, begged Coby. "All the fellows will make fun of us."

fitting now. We want to go some place afterwards."

"All right," said Mister Coon, hunting up his cane. "Come along."

"Say, Uncle Ring, does corn make you fat?" asked Coby.

"Well, it's what they feed turkeys a week or two before Thanksgiving," said Mister Coon. "So it looks that way."

"Say, Corn, I got a swell idea," whispered Coby into his brother's ear. "Just gimme your ear."

"My lands! Isn't that the berries!" giggled Coby. "Oh, my! What a smart brother I have!"

"What's that, boys?" asked Mister Coon, who didn't hear very well. "What's all the fun about?"

"Oh, nothing much," said Coby. "We were just wondering how to have our new suits made. Cob wants his made pinch-back with patch pockets, but I think I like a Norfolk and knicker."

"That is much better taste, Coby," said Mister Coon. "With a nice white collar and bow tie. If you stay with me long enough you'll learn to be nice little gentlemen."

"Sure we will, Uncle Ring," said Coby and Cobby together, winking at each other.

Honestly they acted just like the Katzenjammer Kids did with the captain. I am sorry to say. They should have been smacked.

At that minute, they all arrived at Nancy, Nick & Company's shop where the Twins and Mister Snap Snap were working.

## Don't let constipation make you an invalid—relieve it with Kellogg's Bran

Few people realize how dangerous is constipation until this dread disease tears down their health. Did you know that more than forty serious diseases can be traced to constipation?

Keep your health, or restore it, with Kellogg's Bran, cooked and krumbed. It brings relief in mild and chronic cases of constipation. It is effective because it is ALL bran. That is why it is recommended so highly by doctors. They know that only ALL bran can bring 100 per cent results. Part bran is, at best, only a halfway measure.

If eaten regularly, Kellogg's Bran will bring permanent relief—even in the most chronic case. It is guaranteed to do so. If it fails, your grocer will return your money.

## MISS M. MURDOCK AGAIN PRESIDENT

Nurses' Association Chooses Campbellton for Next Year's Meeting.

The New Brunswick Registered Nurses' Association held the closing sessions of its annual convention in the Health Centre yesterday and decided upon Campbellton as the next place of meeting. Miss Margaret Murdoch was re-elected president by the new executive. The convention heard of the serious lack of public health nurses, was addressed by Dr. J. H. Allingham on pre-cancerous conditions, heard of the proposed home nursing classes to be established under the auspices of the Red Cross Society and was addressed by Miss Jeanne Browne, president of the nurses' national society.

Afternoon Session.

The members of the executive council were elected as follows: For St. John, Miss Margaret Murdoch; vice-presidents, Miss Melkielejohn, second, Miss Victoria Winslow, of Fredericton; secretary-treasurer and provincial registrar, Miss Maude Retailick.

## FABLES ON HEALTH

## Avoiding Colds

"Obey the ordinary rules of hygiene, if you would avoid a cold," recommended the Mann family doctor.

"Except where nasal defects exist there should be no trouble with recurring colds if a person is living hygienically."

Here are a few points that might be written down and remembered in this connection:

Most people realize that exposure and chilling are likely to produce colds. This is due to a disturbance of circulation brought about through the nerve centres controlling skin circulation which are over-sensitive and feel an immediate reaction.

Now if the skin is put in good shape there is a good chance of overcoming this. Bathing in cool water, with its accompanying reaction, will help build up skin resistance. Getting gradually accustomed to gentle drafts also will help.

Another stunt is to stand in a foot of hot water and rub the body briskly with a good rough washcloth that has been wrung out in water of a temperature of 80 degrees.

Each day reduce the temperature of the water until it reaches 50 degrees. After the rubdown dash cool water on the body.

Conveners of committee were appointed as follows: Nursing education, Miss Bliss; "Canadian Nurse," Miss E. McGaffigan, St. John; private duty, Miss M. McMullin, St. Stephen; public health, Miss Melkielejohn, St. John; constitution and by-laws, Miss Sarah Brophy, St. John.

Regrets were expressed at the absence of the first president, Miss Branscombe, and the first vice-president, Mrs. Jones.

Miss R. E. Hamilton, of Toronto, Dominion organizer of home nursing classes for the Red Cross Society, spoke of these classes and asked the co-operation of the nurses in establishing them in New Brunswick.

Resolutions of thanks were passed to those who had contributed to the success of the convention, including Mayor Potts, the Health Centre board of management, members of the medical profession, the speakers, Hon. Dr. W. F. Roberts, Dr. H. A. Farris, Dr. J. H. Allingham, Miss Jeanne Browne, Miss R. E. Hamilton, to those who lent automobiles and to Mr. and Mrs. H. G. S. Adams and Mrs. Gilliston who gave flowers.

The new executive met and elected the following officers: President, Miss Margaret Murdoch; vice-presidents, Miss Melkielejohn, second, Miss Victoria Winslow, of Fredericton; secretary-treasurer and provincial registrar, Miss Maude Retailick.

Just use Rinso where you used to use hot soap—for soaking, boiling, or in your washing machine.

Only spots where the dirt is ground-in, such as neck bands, cuff edges, and the like need a light rubbing, and a little dry Rinso rubbed on these spots quickly makes the dirt disappear.

Rinso is sold by all grocers and department stores
