OFF PARTRIDGE ISLAND. A GRUESOME SUICIDE. NEW YORK, July 18 .- The lone

pant of a little boat used in one of the attractions at Coney Island, Wm. Wanherhold of Ossingius, N. Y., shot nimself through the head as he passed along the darkened tunnels through which the stream the stream of an "old mill" runs. The man visited the island last night and haunted this particuaar attraction, which represents a stream turning the wheel of a mill. Wenderhold made several trips, and then sel ecting an opportunity to go through, passed out of sight unacco boat. The noise of the shot startled

the attendance, but the gruesomene of the tragedy was emphasized when the boat emerged from the tunnel, carrying the dead body lying across the gunwale. The suicide was evidently premeditated, as a letter was found in the dead man's pockets address relatives in this city.

A LEADING ANTIGONISH CONSER-VATIVE.

BISHOP SWEENY'S ESTATE.

Letters testamentary in the estate of the late Bishop Sweeny, were yes-tenday morning granted to, his execu-tors., Timothy Casey and Thomas days. He was born in Woodstock in 1887.

Connolley. Judge Trueman decided that an corporation sole could be an executor, but could not be joined, in its corporate capacity, with another person. He gathered that M was the intention of the will that the successor of the bishop should act personally and therefore made the grant to him with the other executor. It was stated that there would be no appeal from this decision. The other important questions can all be raised in a different way in the equity court.

CAUGHT IN THE STORM

Frank Nice and Harry Burley of Carleton were out fishing on Monday evening when the storm burst. They ad lowered their mainsail, but the was not down and the boat capized. Nice was nearly drowned, but Burley pluckily held on to him and of him up until a Pisarinco fishing boat came to the rescue. Both boat and gear were lost, and Nice is now ill exposure at his home in Car-The men had a very narrow

COMING BACK TO N. B.

A Springhill, York Co., letter says:-"Jack Powys, of Springhill, who re-cently left this part of the country for the far west, is returning home. Min Powys says, in a letter to his brother Percy, that after his being twice around the known world and having made a study of the resources of the ifferent countries, he has come to the onclusion that the St. John river valley affords greater opportunities for the average man than any other place under the sun."

PLUNDERING AT CAMPOBELLO.

On Friday evening, while Henry On Friday evening, while Henry Gilligan and his mother were away looking for their cows, some person or persons entered their house at Bunker Hill, Campobello, and stole about a hundred dollars. The house was overhauled from top to bottom. Trunks and boxes were overturned by the thieves in search for plunder, but they failed to secure all the money that was in the house.

n lind the vessel. We saw her, said int. Roberts, about 400 years away, a was heading right on top of us. CAMPOBELLO, Deaths of Estimable Ladies-Lots of We were running a northerly cours
