

A Semi-weekly Journal, devoted to Political, Literary, and General Intelligence.

THE UNION will be protective in political economy and advocate many measures of practical reform...

It will be kept free of government and every other improper influence...

One of its chief objects will be to effect a union of the British North American Colonies...

In France the Jesuits have been restored to power, and Protestants have been subjected to renewed persecution...

In England the Roman clergy assumed titles to which they had no right...

In Quebec a Roman Catholic mob attacked a lecturer in a Protestant church...

What a record of Papistical hypocrisy and persecution during the last eighteen months!

Subscriptions received in St. John by the following persons...
