Easy Way to Remove Freckles and Eruptions

Freckles and Eruptions

Some women have skin of such texture

they occasionally are annoyed by the

sudden appearance of freckles, light eruptions

or fine lines. March winds usually

play havoc with skin of that kind. In

such cases if one will procure an ounce of

common mercuric iodine, and apply a

little of it before retiring, like cold

cream, she can easily overcome the

trouble. When the wax is washed off

next morning, flaky skin particles come

with it. The entire outer cuticle is

removed in this way in a week or

so, with all its defects. No bleach

could so effectively remove freckles

or blemishes. The new surface is

smooth, clear, fresh looking. No pain

or inconvenience accompanies this

simple treatment.

In case of wrinkles which sink

beneath the outer skin, a solution of

saxolite, 1 oz., dissolved in 1-2 pt.

witch hazel, makes a face bath which

is wonderfully effective.

ST. JOHN BILLS INTRODUCED IN HOUSE

Bill to Amend Act Relating to Civic Elections in St. John.

Fredericton, N. B., Mar. 12.—The House met at three o'clock. Mr. Dugal gave notice of inquiry as to the amount of expenses incurred by the Royal Commission on timber limits and Valley Railway inquiry, the amount from the proceeds of Valley Railway bonds which remains in the hands of the Prudential Trust Co.; the amount paid in connection with construction of the new bridge at St. John.

Mr. Pelletier gave notice of inquiry whether province had been called upon to pay any interest on its guaranteed railway bonds; also as to the amount contributed by the province towards recruiting overseas contingent.

Mr. Smith, for the committee to present the address to His Honor the Lieutenant Governor, submitted the message of thanks of His Honor in reply thereto.

Hon. Mr. Baxter introduced a bill to amend the act respecting partnerships which he explained was to do away with the necessity for publishing the notarial certificate of due execution of partnership agreement in the Royal Gazette.

Mr. Lockhart presented a petition of the city of St. John in favor of a bill to amend the acts relating to civic elections in that city.

Hon. Mr. Wilson introduced a bill to authorize the city council of St. John to grant superannuation allowance to William Walker Clark.

Hon. Dr. Landry introduced a bill to amend the act respecting taxation of debentures, report on education, provincial hospital, Jordan memorial sanatorium, valuation of real estate in Westmorland, Sumbury and Albert counties.

The House adjourned until Monday at 8.30 p.m.

"COUNTRY STORE" AGAIN TONIGHT AT THE OPERA HOUSE

Another riot of fun to be provided by Young-Adams Company—Good bills next week.

The Young-Adams Company will repeat its big comedy hit, "The Gold King" at the matinee and night performances today. Immediately after the matinee comes the children's amateur contest for which there are a number of prizes. These contests on Saturday are proving to be a huge success and bringing in light many clever children as entertainers.

The Country Store which made such a big hit on last Saturday night, when \$25.00 worth of groceries and household goods were given away, will be repeated tonight. Everybody has a chance to take home a bag of flour, bag of sugar, or something equally as good.

The company will present the comedy drama, "A Girl of the Sunny South" on Monday and Tuesday and Friday nights of next week, and will also give a special matinee Tuesday afternoon of the same play. There will be a matinee for the ladies at the Tuesday matinee. Saturday matinee and night of next week, that well known and always popular play, "The Cabin," will be staged with Miss Adams in the role of "Topsy" and Marguerite as "Little Eva." There will be a plantation quartette and other novelties.

The Young-Adams Company gives way to the Y. M. A. of St. Joseph for Wednesday and Thursday, St. Patrick's Day and the day following, who present the great New York success, "O'Brien the Contractor," for the benefit of the orphans. There will be a matinee on St. Patrick's Day.

CLIFTON NOTES
Clifton, Mar. 11.—Mr. and Mrs. Gilbert Wetmore returned home on Monday evening from St. John after having spent the past few days in visiting friends and relatives at that place. Miss Arminia Wetmore arrived home from Boston today, being called here by the illness of her father, Mr. R. W. Wetmore.

Mr. Walter Chase of Kingston with his gasoline wood-cutter is very busy engaged in sawing wood in the vicinity which the people were fortunate to get in before the snow left.

On Saturday and Monday Mr. A. R. Wetmore had several teams hauling fertilizer from Rothery which is now ready for the people.

Among those from this place who went to Fredericton this week were G. Hudson Fiewelling, Col. O. W. Wetmore and Mr. A. R. Wetmore.

The many friends of Mr. Richard Wetmore of this place are sorry to learn that he is very ill. Dr. O. P. Peters of Rothery is in attendance.

Mr. Allen Wetmore of St. John was in the village on Monday to see his father who is very ill.

The many friends of Mrs. George H. Fiewelling are sorry to hear that she is very low, no hopes being entertained for her recovery.

Mr. Amos Wetmore was the guest of Mr. and Mrs. S. White on Sunday.

SEE ANNOUNCEMENT ON PAGE 11

OIL STEAMER SEIZED BY GERMANS

London, March 12.—The steamer Bryssel, of Copenhagen, bound for Philadelphia to Stockholm, with oil, was stopped in the Baltic by a German cruiser yesterday and taken to Swinemunde, according to Reuters Copenhagen correspondent.

The Bryssel arrived at Kirkwall March first and voluntarily submitted to an examination by the British authorities, who let her pass. She also stopped at Elsinore, Denmark, where she received declarations from the consignees, certified by the Swedish authorities, that the oil was destined for use only in Sweden.

BACK FROM FIRING LINE TO BURY MURDERED WIFE AND CHILDREN

Montreal, March 12.—"The bodies of my murdered wife and three little children lie in the dead house at Cote Des Neiges cemetery. I have come back to bury them, then I shall return to Belgium to fight again for my stricken country."

Such was the comment of Robert Van Looy, who returned from the war to Montreal today. His family was wiped out at their home 313 Beaudry street, on January 6, by Mrs. Van Looy's brother, Jean Mons, a Belgian, who committed suicide the next day.

HOW TO CURE RHEUMATISM
The Disease is Always Rooted in the Blood, Which Must be Made Rich and Pure.

There are still many people who imagine that rheumatism can be cured by liniments and rubbing, overlooking the medical fact that the trouble is rooted in the blood. Rheumatism can only be cured by the blood, thus driving out of the system the poisonous acids which cause the rheumatic pains. Dr. Williams' Pink Pills cure the most obstinate cases of rheumatism because they go straight to the root of the trouble in the blood. Every dose helps to make rich, red blood, and this new blood expels the poisonous acid, bringing health and comfort to the tortured victim. Do not waste time and money in liniments and outward applications. Give Dr. Williams' Pink Pills a fair trial and thus drive the disease out of your system. Here is proof of what Dr. Williams' Pink Pills can do in cases of this kind. Mr. Richard Palmer, Wroxeter, Ont., says: "For months my life was made miserable through a combined attack of rheumatism and sciatica. The rheumatism seemed to settle in all my joints and the sciatica pains were so great that I could scarcely hobble about. I had tried every remedy I could get, but I could not get any relief. I was unable to do my ordinary work. Neither doctors nor various remedies I took did me any good. Finally I was induced to try Dr. Williams' Pink Pills, and for this I am much to be thankful for, as after taking a few boxes the pains began to disappear, and by the time I had taken six boxes I was free of both the rheumatism and the sciatica. I am now able to do my work again as usual, and have not lost a day through illness since. I am deeply grateful for what Dr. Williams' Pink Pills have done for me and hope my experience will benefit some other sufferer."

It is the curing of just such cases as these that Dr. Williams' Pink Pills have made famous. They are the world's most popular remedy. You can get the Pills from any medicine dealer or by mail at 50 cents a box or six boxes for \$2.50 from The Dr. Williams' Medicine Co., Brockville, Ont.

Paris, Mar. 12.—Deputy Albert Metin, reporting for the budget committee in the Chamber of Deputies today upon the bill authorizing the government to raise the issue of national defense bonds to 4,500,000,000 francs (approximately \$900,000,000) announced that the subscriptions in France to these bonds already had reached \$900,000,000. This amount, added to the foreign subscriptions, Deputy Metin said, made a total of \$736,800,000.

AMBASSADOR PAGE'S DAUGHTER ENGAGED

London, Mar. 12.—Walter Hines Page, the American Ambassador, has announced the engagement of his daughter, Katherine, to Charles Greely Loring, son of the late General Charles Loring, of Boston.

Suffered Intense Pain in Her Back. Could Hardly Do Her Housework.

If a pain attacks you in the back "stop and think" what it is and what causes it. If the kidneys are at fault—and in a large majority of cases of pain in the back they are—doctor them at once, and doctor them persistently, as it is impossible to have a well strong back unless the kidneys perform their functions properly.

Doan's Kidney Pills cure all forms of kidney trouble, and cure them to stay.

Mrs. H. F. Jacob, Lavant Station, Ont., writes: "I take pleasure in telling you how much good your medicine has done me. I had suffered from intense pains in my back, and was so bad I could hardly do my housework. My kidneys were also bothering me a great deal. I tried several kinds of patent medicines, and was almost discouraged, and was looking for some other kind of medicine to try when I noticed your advertisement of Doan's Kidney Pills, so I thought it could not hurt to try them. I noticed a great difference when I had used one box, and to my great relief when I had used three boxes I was entirely cured, and I have not been bothered since. I will not hesitate to recommend them to all I know."

Doan's Kidney Pills are 50c a box, or 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Millburn Co., Limited, Toronto, Ont. When ordering direct specify "Doan's."

Pugsley Has A Hard Job Ahead of Him

(Continued from page 1)

Ottawa, March 12.—When parliament met this afternoon, Mr. A. K. MacLean submitted a resolution asking that all communications between the Auditor-General and the militia and other departments having to do with expenditures under the War Appropriation Act of last session be submitted to the Public Account Committee with power to review and investigate if necessary. The communications referred to dealt particularly with purchases of medical supplies by the Militia Department from Mr. E. Powell, of Ottawa, who was introduced to the department by Mr. E. Premier Borden deemed the resolution somewhat irregular at this time, but had no objection to tabling it. The Minister of Militia welcomed the resolution, and the full investigation and the member for Carleton (Mr. Garland) had asked that the resolution be accepted.

German asked if all documents relating to the purchase of tires for motor trucks and the commissions paid to P. W. Ellis, for the purchase of binoculars would be included in the report.

Premier Borden thought such were included in the report, but in any event full power would be given. Hon. Dr. Pugsley asked if the order were wide enough to include the purchase of the two submarines.

Freemantle made a change in the resolution to insure this.

He stated that Sir Richard McBride had telegraphed him desiring investigation of this matter.

Mr. Garland, who was greeted by Conservative cheers, asked that every facility be given to those who thought they had found offense on his part to prove it. He charged that "reckless attacks" had been made upon him. He declared that he had not, in any way, any interest in contracts for the Dominion government, nor was he interested in the dealings of Mr. Powell with the Militia Department. He had recommended Powell and the Canadian agent for medical goods to be secured from the United States through a Canadian agency. He had done this because he believed Powell to be a dependable and fit and proper person. "If such a recommendation was wrong, I ask that all such recommendations be inquired into," said Mr. Garland. As to any deductions of the Militia Department against Powell, he had no concern.

The resolution was then unanimously adopted.

Mr. D. D. MacKenzie, of North Cape Breton, rising on a question of privilege, protested in the House of Commons against the reply of the Department of Customs to a question asked by him as to the alleged rendering by Mr. H. P. Buchanan, who had been investigating charges of partisanship against government officials, of six bills for work done in one day.

The answer had said that the allegation was untrue. Mr. MacKenzie said the return made through the Secretary of State contained an account of the work done by Mr. Buchanan, indicating that he had tried six cases in one day, but wished remuneration for six days' travelling and other expenses.

Hon. J. D. Reid said that Mr. MacKenzie had asked for information regarding the cost of six different investigations. Mr. Duchemin had put in only one account, showing that on six days he had been engaged in work incident to six different cases, which were eventually tried on the same day. The official who prepared the return had divided the expenditure in order to show the cost of each individual case.

Can Thank Grifts for Black to Canadian Industry.

Mr. R. J. Ball, of South Grey, in continuing the debate on the budget, stated he considered it would have been very inadvisable for the Minister of Public Works to cut down too radically his expenditures in the present state of unemployment. He also replied to Liberal criticism as to the distribution of militia contracts, stating that there had been no discrimination shown in this regard. There had, however, been much hurtful criticism, such as that in regard to the Canadian militia boots. The bad reputation given, without due inquiry, had seriously militated against the placing in Canada of foreign orders for army boot manufactures.

Mr. Ball deprecated the raising of a class issue in regard to the present tariff.

In Ontario, he stated, there was little or no rivalry between the farmer and the manufacturer. As regards the importation that the new taxes did not bear heavily on the manufacturer, he stated that the seven and a half per cent duty on bituminous coal alone would be an exceedingly costly item for them.

Mr. Ball referred to the position of the Dominion in the present struggle and observed that it would be well if some of Canada's dreadnoughts were now on the firing line, a statement greeted with Conservative cheers. He concluded with the statement that the war budget was as fair as it could be. It touched all and all were ready to pay.

Mr. Neely, of Humboldt, stated that the policy the present government had consistently pursued had been restriction of trade and unemployment as its logical conclusion.

Mr. Edwards asked if the defeat of reciprocity were also to be considered, as according for depression in the United States.

Mr. Neely stated it had not been proved that depression existed in the United States. He then went on to deal with the speech of the Finance Minister on Wednesday.

He then went on to deal with increase in the price of manufactured goods, since the new tariff.

Mr. Paquet, of Islet, followed Dr. Neely. He made a strongly patriotic speech, declaring that at the call of the flag the French-Canadians had responded with patriotism and with conviction to perform a great duty, to preserve the common liberties gained at the price of great sacrifices.

"In Canada," declared Mr. Paquet, "at once, and without constraint, in an outburst of patriotic fervor, we have given food, gold and brave soldiers, who are shedding their blood

today for the cause of civilization and humanity. In the name of a young nation playing its part in the Empire, we are defending the cause of liberty and French civilization. The French Canadians are fighting an enemy who destroys churches, shoots old men, kills unarmed priests and insults and mutilates poor innocents. While our loved ones are bringing honor on us under fire, we ought to develop our natural resources, seek new markets for our products, and strive to win the markets which the enemy have lost in order to ensure the prosperity of Canada."

Mr. D. D. MacKenzie of Cape Breton, contrasted the rosy budget which the Minister of Finance gave in 1912, when times were still good, under the impetus of the Laurier administration, with the present conditions of a depleted treasury and the inconsistent call for more taxes.

Mr. Boulay of Rimouski, said that Canada should not contribute to the cost of this war further than she was able to do after having maintained her own ordinary expenditures. He thought that the cost of the Canadian soldiers after they had left the shores of Canada should be borne by the British government. However, although these were his personal views, he felt bound in the face of the present emergency to support the policy of the government and would hesitate to vote against the war budget of one hundred millions.

Mr. W. F. Carroll who closed the debate of the day could not believe that Mr. Boulay was in earnest in these expressions of opinion. He thought that he was really speaking only for the benefit of a small section of Canadian opinion.

The House adjourned shortly after midnight.

RESUMING WORK IN BELGIAN INDUSTRIES

Brussels, Mar. 12, via Berlin to London.—According to Privy Councillor Bernhardt, of the Economic Commission, appointed by the German government to promote Belgian business interests, progress is being made toward normal industrial and transportation activity. It is stated that 107,000 miners are working half-time in the coal mines, as against 145,000, who operate the mines normally. The daily production of coal has reached 35,000 tons.

The iron industry has been more backward in resuming work, because 85 per cent of the production previously was exported, and at present the export business is almost at a standstill. The iron trade is handicapped, according to Herr Bernhardt, by the virtual impossibility of importing foreign ores upon which it is almost entirely dependent.

The zinc smelters are busy working up the existing stocks of ore, but a further import of ores is difficult. The glass industry is still idle.

Herr Bernhardt says the main lines of the railways are being operated by

Horrible Effects of Skin Trouble

Are Quickly Removed by the Use of Stuart's Calcium Wafer, the Eradicator of All Skin Eruptions.

Just in a few days one may clear the skin of all manner of blemishes such as pimples, blotches, liver-spots, etc. if one will use Stuart's Calcium Wafer.

Don't use pasty lotions and creams to fill up the pores when they are working constantly with the blood to throw off the impurities of your system.

WORLD'S GREATEST KIDNEY REMEDY

"Fruit-a-tives" Have Proved Their Value In Thousands of Cases

WONDERFUL RECORD OF A WONDERFUL CURE

Only Remedy That Acts On All Three Of The Organs Responsible For The Formation of Uric Acid in the Blood.

Many people do not realize that the Skin is one of the three great eliminators of waste matter from the body. As a matter of fact, the Skin rids the system of more Urea (or waste matter) than the Kidneys. What is the Kidney Trouble, Pain in The Back and Acid Urine, it may not be the fault of the kidneys at all, but be due to faulty Skin Action, or Constipation of the bowels.

"Fruit-a-tives" cures weak, sore, aching Kidneys, not only because it strengthens these organs but also because "Fruit-a-tives" opens the bowels, sweetens the stomach and stimulates the action of the skin.

"Fruit-a-tives" is sold by all dealers at 50c a box, 6 for \$2.50, trial size, 25c, or will be sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.

the German military, but that the other lines have resumed traffic under Belgian management. Freight and passenger traffic is increasing steadily, the canals again are operating and general business confidence is returning, according to Herr Bernhardt.
