

ANNUAL REPORT
OF THE
KNOX CHURCH AND SABBATH SCHOOL
TEMPERANCE ASSOCIATION.

For Year 1880.

Our Temperance work still continues in vigorous operation, and is, we believe, increasing in influence for good in and about us.

Our membership has been somewhat augmented during the past year, still there are a great many whom we would fain see in our ranks who have not yet cast in their lot with us. We trust they may soon do so, and strengthen our hands and help us to attain to a higher degree of usefulness in the future.

It is unnecessary to call attention to the evils of intemperance, they are only too painfully apparent on all sides. We earnestly invite all who are not yet with us to come and work heartily in the good cause.

Owing to the number of meetings held in our Church during the winter months, it was deemed advisable in the general interest to hold monthly instead of fortnightly meetings as formerly. We were very reluctant to make this change, yet we felt it our duty to adopt it, and we are thankful to state that our Association has suffered no harm, but that our meetings are attended as well as ever.

As anticipated in last year's Report, we are gratified at being able to state that our piano is paid for and our Association nearly free from debt, only a small amount for current expenses remaining.
