Wedding Invitations

Thermogravure (copper engraving)

Wedding and engagement announcements, birth announcements, the baptism, quills and other announcements, etc.

Thermogravure

Copper engraving

Save and Ask the finest hand engraving. The finest work in design and individuality only the finest hand engraving can match.

Thermogravure (copper engraving)

Save about half as much in hand engraving, because it etches the copper plate that makes hand engraving so expensive.

AND IT'S READY WITHIN THE WEEK

Of course you can order wedding invitations with the same beautiful design and finish as the other announcements. The cost is the same. The only difference is that the wedding invitations are larger.
