There is a small war cloud gathering over central Asia. England has sent an expedition to Kashgar for the sake of promoting British interests and extending British trade in Turkestan. The bride was dressed in Violet silk and wore a wreath of orange blossoms in her the sake of promoting British trade in Turkestan. The bride was dressed in Violet silk and wore a wreath of orange blossoms in her the sake of promoting British trade in Turkestan. The bride was dressed in Violet silk and wore a wreath of orange blossoms in her the sake of bride in the should have declined the boar of the dinner had he cocasion might perhaps residently. Spirit of improvement—

The expedition has been quite succession.

The expedition has been quite successful, but it has succeeded in creating a feeling against Russia among the susceptible and excitable natives, and the Ameer of Kashgar has seized the Russian envoy and collected 10,000 men on the lorders are most sumptuous repast was defend his territory.

The bride was dressed in Violet silk and of liberality, spirit of improvement of liberality. To capture of liberality, spirit of improvement of liberality, spirit of improvement of liberality. To capture of liberality, spirit of improvement of liberality of liberality. To capture of liberality of liberality of liberality of liberality of liberali the borders to defend his territory against the Czar. Whoever has watchtrain for Ottawa on their wedding tour.

The bridge where a most sumptuous repast was provided. They leave by the afternoon train for Ottawa on their wedding tour.

The bridge where a difficult we re-produce as applicable to other calities:

Now some ay that when I make imBuckwheat, per bus....

Buckwheat, per bus....

Buckwheat, per bus.... ed the steady course with which Russia has carried out her policy of Asiatic

land and the struggle she naturally makes Andrew Smith, sen., A. Smith, W Curto get possession of a profitable trade. But it is a question whether it is worth fighting tor, and whether, if the English have excited the Kashgars to warlike home. The Dawson route seems to be the favorite way.—Gazette.

In writing with the left hand, these evils are avoided. An upright posture With respect to its communication to men, it appears that only two cases is the easiest, and the eyes are equally have occurred in many years, and that distant from the paper.

GREAT BRITAIN.

London, July 3 .- In the House which had no existence in fact at all would work just as much mischief as is

would work just as much mischief as is ascribed to hydrophobia.

The Western Union Telegraph Company, New York, has just been compelled to pay \$450 damages for failing to promptly deliver a message ordering a firm of brokers in that city to sell certain shares of stock. The message was received at the New York office of the Western Union Company at a quarter to nine A. M., but not delivered until a quarter of eleven. In the meantime the stock fell and was finally sold at a loss of \$450, for which the company if England continued to remove every if England continued to remove every in the stock fell and was finally sold at a loss of \$450, for which the company at a quarter to the succession would be removed to remove every if England continued to remove every if England continued to remove every in the stock fell and was finally sold at a loss of \$450, for which the company at a quarter to the stock fell and was finally sold at a loss of \$450, for which the company at a company a loss of \$450, for which the company was sued and judgment obtained. The necessity of the prompt delivery of telegraphic messages is too evident for argument, and if, when messages are delayed, the company is invariably sued.

The sudd further that showman:
