
BILL.

An Act to exempt the Town of Niagara and the Townships of Gainsborough and Caistor in the County of Lincoln from all taxation arising out of the assumption by the corporation of the said County of the Queenston and Grimsby road.

WHEREAS the Queenston and Grimsby Road has been assumed by Preamble.
the Corporation of the County of Lincoln as a County Work after the road had been for some years purchased and owned by a Joint Stock Company formed of the Municipalities through which the said road passes,—that is to say, the Townships of Niagara and Grantham, the Town of St. Catharines, and the Townships of South Clinton and Grimsby,—such Company engaging to pay all liabilities and expenses connected with the construction and maintenance of the said road, while there is a large amount of indebtedness thereupon; and whereas it would be very unjust that any portion of the said indebtedness and maintenance should be imposed upon the Town of Niagara and the Townships of Gainsborough and Caistor;

Therefore, Her Majesty, &c., enacts as follows :

- 15 **1.** For any liability or expenditure connected with the assumption by the Corporation of the County of Lincoln of the Queenston and Grimsby Road as a County work, the said Corporation shall assess or tax the Townships of Niagara, Grantham, South Clinton and Grimsby, and the Town of St. Catharines only, and shall not for any such purpose impose any such assessment or tax upon either the Town of Niagara or the Townships of Gainsborough and Caistor in the said County, nor shall any such liability or expenditure be in any way chargeable upon or borne by the said Town and Townships last mentioned. Town and Townships not to be taxed for road.
