Address all Orders to Pattern Department, The Western Home Monthly, Winnipeg

1508.—A Suspender Dress for the Doll.—This charming little model will at once appeal to the doll mother. It is easy to make and good for silk, cloth, serge, lawn, gingham, chambray, or percale. The guimpe or waist is made with a front closing, a short sleeve and round cuff. The skirt is straight and plaited. The pattern is cut in 6 sizes for dolls: 14, 16, 18, 20, 22 and 24 inches in height. It will require $1\frac{1}{4}$ yard of 36-inch material for a 24-inch size. A pattern of this illustration mailed to any address on receipt of 10c in silver or stamps.

For Mother's Baby—Doll's Set of Baby Clothes, Santa Claus may bring to Mother's Girl.—Just the thing to please little mothers. There are dolls and dolls, but no doll so dear to the heart of a doll's mother as one dressed in baby clothes. The designs here shown will be found easy to make, as they are cut on simple one-piece lines. The dress may be made of nainsook, lawn or batiste and trimmed with bands of lace or embroidery. The coat will develop nicely in cashmere, silk, henrietta or Bedford cord. The sacque and kimono will look well made of flannel or flannelette, and the cape of silk or flannel. The pattern is cut in 3 sizes for dolls: 16, 18 and 20 inches in length. A pattern of this illustration mailed to any address on receipt of 10c in silver or stamps.

1506.—For Dolly's Wardrobe. Set of Short Clothes.—Comprising drawers, undershirt, and a dress that may be finished in bishop or French style. This set of patterns will develop charmingly and please the little doll mother. The drawers and undershirt may be of nainsook or lawn, the dress of gingham, percale, lawn, batiste, silk or crepe. It may be finished with feather stitching or lace, or the free edges could be embroidered in scallops, with eyelets at neck edge and sleeves, for ribbon insertions. The undershirt pattern is also nice for flannel, but the waist portion should be of cambric, nainsook or lawn. The pattern for this attractive combination is cut in 6 sizes: 14, 16, 18, 20, 22 and 24 inches in height. It will require $\frac{3}{4}$ yard for the drawers, $\frac{1}{2}$ yard for the petticoat, and 1 yard for the dress of 36-inch material for a 24-inch size. A pattern of this illustration mailed to any address on receipt of 10c in silver or stamps. This pattern also comes in child's sizes: 1, 2, 3 and 4 years. Price 10c.

1140.—A Pleasing Group of Things to Make for the Holidays.—This combination includes a work basket, a utility case, and a pin box and spool holder combined. The latter could also be developed as a button box. The work basket is good for cretonne, silk, linen or denim. The utility case may also be made of cretonne, linen, denim or crash, but is best rubber-lined or made of rubberized materials. The spool holder may be of silk, canvas, denim, cretonne or crash. A good suggestion for the work basket would be found in tan linen, embroidered in red, and lining of red satin or sateen. Cretonne in lovely pink and green tones would also make this a serviceable article. The basket sections could also be woven of raffia over a card board foundation and lined with silk. For the pin box the same materials would serve that could be used for the work box. For the utility case there are lovely rubberized silks and cretonnes that will be very good for this article. It requires $1\frac{1}{4}$ yard of 36-inch material for No. 1, $1\frac{1}{4}$ yard of 27-inch material for No. 2, and $\frac{1}{2}$ yard of 24-inch material for No. 3. A pattern of this illustration mailed to any address on receipt of 10c in silver or stamps.

1460.—Patterns for Animal Set.—This group of designs comprises a dog, a pig and a sheep. All are attractive toys for little tots, and may readily be developed by the home dressmaker. Bath towel, canton flannel, eiderdown, plush or fur faced cloths are suitable. The sheep will require $\frac{1}{2}$ yard of material, the dog $\frac{3}{4}$ yard, and the pig $\frac{3}{8}$ yard. The pattern is cut in one size. A pattern of this illustration mailed to any address on receipt of 10c in silver or stamps.

1142.—A Useful, Practical Combination.—Ladies' Sewing Apron and Bag Combined.—This illustrates a very clever idea that will lend itself to development in

any of the pretty apron materials now in vogue. As here shown white lawn embroidered in self color was used. "Val" lace forms a suitable finish. The apron portion above the pocket is slipped into the pocket when not worn, and the fulness

is drawn up to form a bag. In organdie, dimity, figured or striped silk, linen, cretonne or crepe this design is very effective. The pattern is cut in one size: medium. It requires $1\frac{1}{4}$ yard of 36-inch material. A pattern of this illustration mailed to any address on receipt of 10c in silver or stamps.

1459.—Patterns for Set of Monkey, Elephant and Rabbit.—These toys are always acceptable for small children.

Was Not Much of a Believer in Patent Medicines

But Milburn's Heart and Nerve Pills Are All Right.

Mrs. Wm. McElwain, Temperance Vale, N.B., writes: "I am not much of a believer in medicines, but I must say Milburn's Heart and Nerve Pills are all right. Some years ago I was troubled with smothering spells. In the night I would waken up with my breath all gone and think I never would get it back. I was telling a friend of my trouble, and he advised me to try Milburn's Heart and Nerve Pills. He gave me a box, and I had only taken a few of them when I could sleep all night without any trouble. I did not finish the box until some years after when I felt my trouble coming back, so I took the rest of them and they cured me."

Milburn's Heart and Nerve Pills have been on the market for the past twenty-five years. The testimony of the users should be enough to convince you that what we claim for them is true. H. and N. Pills are 50c per box, 3 boxes for \$1.25; at all druggists or dealers, mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
