The department of Athletics blames the mix-up which sees, arguably, the three best players in Canada being lost to American Universities on the **Free Trade Agreement** which was signed between **Canada** and the **United States**. U of A Athletic Supporter and Chairman, **Dale Shumka**, feels that "if it wasn't for that darn Free Trade, then we would still have **Wayne Gretzky**, we would still have **Hardwood** and **Roger-Wilko**, and we would have those three players playing for us instead of those gosh-darn Yanks. The department of Athletics bears no responsibility — it's all the fault of those Tories! They just didn't do their homework."
