## Red Rebels tops in conference

Quebec City and the Quebec Carnival Invitational Volleyball Tournament played host to the UNB Rebels last weekend.

The tournament featured the top mens' senior and collegiate teams from Quebec as well as an American team and several Maritime teams.

## Raiders win two

Winning on the road is always difficult. UNB's Red Raiders proved equal to the task over the weekend with two back to back road victories.

On Saturday the Raiders travelled to Sackville from an AUAA clash with Mt. A. The Mounties were difficult to scout since they had lost high scoring forward Ed Broadley. This proved to be not the factor in favour of the Raiders that it would appear. Without the outside threat Mt. A. continually pushed the ball inside to their twin centres Paul Holder and Richard Winpenny. Winpenny responded with 23 points and led the Mounties to a 13 point lead early in the second half.

Poise and depth paid off as coach Nelson used his bench and the pressure eventually began to take its toll on Mt. A. Led by Bob Aucoin, Scott Devine and Gary Young UNB pulled into the lead and won the contest 90-84.

On Monday the Raiders travelled to Unity, Maine to compete with Unity College. This was the final game of the Northeast College Conference season for the Raiders. Unity had played well in Fredericton, making the game close in the closing minutes.

The Raiders sat back in a zone for the first half, planning to work on the defense against Unity's top scorer Billy Schwab. Schwab did not play but the defense got its workout. UNB led by a slim margin of 3 points at half time. Unity played very methodically and the zone allowed them to play at a

slow pace.

The Raiders rock and rolled out of the dressing room and into full court pressure defenses after the half. Suddenly the pace changed. The Raiders were up ten, then fifteen and the game was over. Final score UNB 87, Unity 68. Everybody played, Scott, Bob, Gary and Luigi led the scoring.

This weekend is one of the biggest basketball weekends this season. Defending CIAU champions St. Mary's Huskies arrive in town for a two game series with the Raiders, Saturday night, February 10 at 8:00 p.m. and Sunday afternoon, February 11 at 3:00 p.m. The Huskies are currently ranked number 1 in the country and are led by All Canadian Mickey Fox, who is currently leading the AUAA and perhaps the country in scoring. The 1978-79 Red Raiders love this kind of game. A great challenge which should lead to some outstanding basketball.
